## Martin Morozowsky

1951 - 2011

**I**n remembrance of our Brother Knight Martin Morozowsky, he was received by our Lord Jesus Christ on October 11, 2011. He was the husband to Geraldine (Gerry), father of four children Martin Jr., Helen, Jennifer and Emma, served his nation as a Marine, and citizen of our community. For 30 years Martin was owner and Manager of Marty's Lawn & Garden Service.

As a member of our council, he earned the Fourth Degree and served as Grand Knight and Officer. He enjoyed cooking for various events including our Council's monthly dinners, pancake breakfasts for Bishop High School, and special food at Our Lady of Guadalupe Fiesta. At his funeral, he was remembered by family members as well as many of his friends and business associates.

Our Council and our community have been strengthened by Martin's dedication and service. May he rest in the peace of our heavenly Father.

**by David Farebrother**

**UPDATE YOUR BENEFICIARIES**

Sometimes it is easy to overlook the simplest of things. Take the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it could very well be that the person you originally selected as the beneficiary is no longer the person you would want to receive the policy proceeds. If you bought the policy when you were single, for example, you may have named your parents as beneficiaries. If you have since married, that should be updated to reflect your spouse or your children as beneficiaries.

Most people list a primary beneficiary, who is specifically designated as the first in priority to receive policy proceeds. We also encourage the naming of a contingent beneficiary, as alternate person designated to receive policy proceeds, usually in the event that the original beneficiary predeceases the insured.

I routinely call all of my policyholders for annual review appointments, usually near the anniversary date of your policy – the date it was originally issued. One of the matters that I’ll discuss during this review is the status of your beneficiary designations. If they need updating, and they often do, I can complete the paperwork during that appointment.

I look forward to meeting with each of you to discuss your family’s needs.

## *Pro-Life Report*

### **COME TAKE PART IN MARY'S RUN/WALK FOR THE UNBORN BABIES!**

**You're invited—and so is your family!**

Want to take part in a fun event that honors the mother of one of our Council 1684 members and helps the pro-life cause, too? Then come enjoy the Fun Run/Walk in memory of Mary Ellen McCaffrey, mother of our Brother Knight Matt McCaffrey, on Saturday, November 12, at 9:00 a.m., starting at East Beach in Santa Barbara.

Mary Ellen was a passionate crusader for the pro-life movement for 40 years. God called her into eternal joy on January 22, 2011, the anniversary of the Supreme Court's infamous *Roe v. Wade* abortion ruling. Her children are holding this event to launch a fund-raising drive to send pro-life teenagers to the annual March for Life in Washington, D.C., and the Walk for Life West Coast in San Francisco, next January. A number of our Council 1684 brothers and family members will take part.

This Fun Run/Walk will kick off with a gathering at the East Beach parking lot, at the intersection of Milpas St. and Cabrillo Blvd., on the ocean side (there's a \$3.00 parking fee if you want to park in the parking lot), where refreshments will be provided (coffee, water, Gatorade). Then we'll take a self-paced run (or walk) from East Beach to the harbor (about 1-1/2 miles), along the bike path and back. (You don't have to go the whole way.)

Participants will receive a special t-shirt to commemorate this unique event. Donations will be gratefully accepted to establish a fund in memory of Mary Ellen McCaffrey to help teenagers attend the March for Life and the Walk for Life West Coast.

Your support will help encourage a new generation of young pro-life activists who'll carry on Mary Ellen's legacy of tireless work to save unborn babies and end abortion in our beloved country.

(Note: The Santa Barbara Marathon will take place on the same day, with runners coming from the direction of Goleta and stopping at the City College track. Don't confuse these runners with our event. Go straight to the East Beach parking lot.)

**We'll see you on November 12! Meanwhile, spread the word! Please invite your family and friends to come honor Mary Ellen and help save babies. For more information, please contact Matt McCaffrey by e-mail: [matthew2005@webmail.us](mailto:matthew2005@webmail.us) Important: if you're going to take part, please tell Matt your T-shirt size in advance. God bless you!**

**BOARD MEETING OF COUNCIL 1684**  
**WEDNESDAY, OCTOBER 12, 2011**

Seventeen members were present when Grand Knight Bruce Garcia called the Council meeting for October to order at 8:37 p.m. Upon closing the meeting doors, Warden James Bauer verified membership cards. The minutes from the September meeting were read with two corrections.

Under membership, Sean Connolly, Paul Rayas, Mitch Molitor and Wayne Thomas participated in a Second Degree Exemplification at Serra Hall prior to the business meeting. There were no new applications.

The Grand Knight reported on the following items:

- The tickets for the Knights Nite Out on October 26 are ready to go and this major charitable event will be bigger and better than ever. The \$125 dollar ticket includes dinner for two and one ticket for the reverse raffle.
- The Villa Majella Country Faire barbeque will be held Sunday, October 23 in Serra Hall, 1 – 4 p.m. There will be a silent auction and prizes.
- The Memorial Mass hosted by Brother David Borgatello and his wife Louise is on November 9 at 6 p.m. in Serra Hall.
- The next business meeting of the Council will be December 7 followed by the Christmas social on December 14 where the Treble Clef Singers will entertain again by popular demand.

No communication was read.

Under the Treasurer's Report, the Council's September balance was \$3,343.36 after deposits of \$469.00 and withdrawals of \$1,324.82. The September dinner had income of \$317.00 and expenses of \$233.80 which resulted in a profit to the Council of \$83.20.

The Financial Secretary reported two bills paid.

There was no unfinished business.

Under new business, Brother John Green informed the Council of the passing of Brother Martin Morozowsky,

PGK. He moved, and Brother Richard Rink seconded that "The Council send a Spiritual Bouquet to the family." Motion passed unanimously.

Brother Mark Weitstock explained the Knights Nite Out and encouraged members to build up the attendance. Brother Richard Rink brought a proposal to have Council 5300 install a link on their website that leads to our bulletin. There was no objection and there is no cost. Brother Ray Charpentier informed members that he has plastic covers now where members can keep their membership cards. Brother Lewis Valenzuela noted that he did not find any mention Columbus or Columbus Day in the News Press.

There was no District Deputy's Report.

Under the Field Agent's Report, Brother David Farebrother encouraged the new Second Degree Knights to read their *Columbia* magazine. Along with the other great articles in the October issue, the "Insurance and Investments" article says that the Knights of Columbus now has over 80 billion dollars of life insurance in force and is one of the top five insurers in the country. Through the difficulties of the market and economy, the Knights Insurance Company has grown consistently and remains the best place for Knights to invest to their nest eggs growing.

Prayers for sick or distressed:

- Brother Mark Weitstock for the family of Martin Morozowski.
- Brother Ray Charpentier for Vangie Herrera, Brother Al Anglin's wife, who underwent heart bypass surgery two weeks ago. Brother Al thanks all of those who prayed for her during this ordeal.

The Council meeting for October adjourned at 8:58 p.m.

Respectfully Submitted,

## Deacon's Corner:

### *APPROACHING THE END OF ANOTHER YEAR*

Once again we find ourselves approaching the end of another calendar year. The seasons have once again begun to change, as much as they change here in our little piece of paradise in Santa Barbara.

This year we will again be celebrating the Thanksgiving weekend and the First Sunday of Advent simultaneously, and how appropriate this is, that as we give traditional thanks throughout our great nation for the blessings God bestowed upon the early settlers of our county.

There are many accounts of that first Thanksgiving, with several authors desperately contradicting each other. My favorite depicts the new arrivals to America as religious refugees who were seeking freedom from the tyranny of the British monarchy, and finding a way to survive the terrible years immediately after their arrival. They found a way to barter with the natives and other Europeans they encountered; they foraged for food and buried their loved ones, and when they realized they had made it through the worst of it all, they gave thanks and praise to Lord.

Personally I'm grateful I haven't had to defend my family against wild animals, or build a community from the naturally occurring materials in the foothills of Massachusetts or Vermont, but we all have had challenges in our life, and it is my hope that we all turn and give thanks and praise to God when we finally conquer our obstacles, or find a different path that eventually leads us to happiness and peace.

A few short words on the new translation of the English Missal.

I hope we are all aware of the coming changes to the Mass, that we will begin using on the first Sunday of Advent (November 27). The Mass itself isn't going to change merely the words in some of the prayers and responses.

I've never been a big advocate for using the missalettes, in the pews, I prefer we listen and respond with our hearts and spirit; but I ask that we all follow along closely for several weeks, so as to worship as community. When people are doing something or not doing something that others are or aren't doing, it becomes a huge distraction for others. The Mass is intended for everybody to come and worship together, we do bring our own troubles, joys and personalities, but we are called to celebrate the glory of God as one people. Together we form, and are the body of Christ.

Yours in Christ and Service

# Knight's Nite Out

There was a good turnout for the Knight's Nite Out. With 137 reverse raffle tickets sold, 178 people attended the dinner. From the photo on the left you can tell that Serra Hall was full.

While the reverse raffle numbers were being called, at this table several of us celebrated Al Anglin's birthday. He states that he is now old enough to retire.

People are lining up for the main course: Tri-tip, potatoes, string beans and roll. Wine was served at each table.

Borgatello, Stovesand and Charpentier review the remaining four tickets. With the last four ticket holders agreeing to split a \$4,000 cash prize, the winners are Ida Borgatello, Louise Borgatello, Joe Connolly and Wayne Covert. Other cash prizes given out amounted to \$475. Midway in the reverse raffle, Mark Wietstock gave out \$500 checks to 12 local charities.
