## GRAND KNIGHT'S REPORT

Dear Brother Knights,

I hope you all had a Merry Christmas. We have had many fine and very enjoyable gatherings this past year. I am thankful for all the help during these past years as Grand Knight. I hope and pray we have a successful year in all we do for the Church, our families and the community.

These are tougher times for many, and this is where our faith in God will help us to reach out to those less fortunate than ourselves. There will always be people who are better off than us financially and always people who aren't.

I pray that we continue to grow in wisdom and our level of understanding of our faith in God. Let us stay motivated in our commitments and efforts to serve our God, Lord and Savior Jesus Christ, and each other.

During this election year, I pray everyone will vote pro-life, and I hope we can rid our country of those with pro-abortion, socialist ideas.

*Faith is to believe what you do not see; the reward of this faith is to see what you believe. - Saint Augustine*

*God is even kinder than you think. - St Theresa*

I wish you a happy and prosperous New Year and May God bless you all,

**WAYS TO PAY FOR WHOLE LIFE**

**W**e live in a world of options and we are constantly bombarded by choices. Some of these make our lives more complicated, but many of these choices are created with the public in mind.

At the Knights of Columbus, every product we offer has been designed solely for the benefit of our members and their families. When I present an option to you, it's because a team of experts has discussed it at length to be certain it serves your best interest.

That said, we have a few options on how you can provide and pay for the whole life coverage that your family needs. Many whole life policies call for premiums to be paid for your entire life or to age 100. But we also offer permanent life coverage with guaranteed cash values (and the potential to earn dividends, which are not guaranteed) through policies that offer a limited period of premium payments.

First, we offer "10 Pay Life" and "20 Pay Life." Consider paying premiums for 10 or 20 years, and never having to pay for the coverage again. The plan is "paid up" and no more premiums are due. The plan stays in force, the death benefit remains intact and the guaranteed cash value continues to grow.

A plan with similar benefits is "Life Paid Up at 65." The difference over 10 or 20 Pay Life plans is that this permanent product requires you to pay premiums until age 65. The premiums stop (just in time for retirement), but the plan remains in force.

Finally, the ultimate in limited pay is our Single Premium Life product. Imagine buying life insurance – permanent life insurance – and only paying one single premium? It's possible.

To learn more about these products, our long-term care insurance or retirement products, please call me today.

### **ON JANUARY 15, SAVE BABIES FROM ABORTION THROUGH THE MOST POWERFUL PRAYER OF ALL**

**“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places” (Eph. 6:12).**

When he spoke those words, Our Lord might have been thinking of abortion—a demonic act if there ever was one. And, He warned us, “Some demons can be driven out only through prayer and fasting.”

In our personal efforts to end the “unspeakable crime” (Vatican II) of abortion, we Knights should rely first of all on prayer. The greatest prayer in the universe is Holy Sacrifice of the Mass, so it’s most welcome news that special Masses for the Unborn will be offered at Thomas Aquinas College on Sunday, January 15, at 9:00 and 11:30 a.m.

**Nothing on earth can compare with the wonders of the Mass.** During the Holy Sacrifice, Heaven itself opens and we take part in the eternal worship of Mary and all the angels and saints. Christ, the Second Person of the Holy Trinity, becomes truly present—Body, Blood, Soul and Divinity. Countless angels surround the altar, singing “Holy, holy, holy!” Cascades of graces, mercy and blessings pour down on us and our nation, as demons flee in terror.

This will be the third year that the College will be holding this event during January, the month when the U.S. Supreme Court forced abortion on our country through its infamous *Roe v. Wade* ruling in 1973.

The goals of the two Masses on the 15<sup>th</sup> are (1) to mark our personal and public commitment to defending the unborn babies and (2) to encourage college and university students to defend them. (The following weekend, students from Thomas Aquinas College and UCSB will travel to San Francisco for the annual West Coast Walk for Life.)

Please spread the word about these two Masses on January 15. Please encourage others, especially college students and families with children, to attend Mass at either 9:00 or 11:30 a.m. at Thomas Aquinas College.

By the way, if you’ve never visited the college, you’re in for a treat! You’ll worship in the campus’s magnificent new church, Our Lady of the Most Holy Trinity Chapel, designed by renowned architect Duncan Stroik. You’ll enjoy the beautiful natural setting of the campus. And you’ll give thanks that the school is passing on the authentic teachings of our Church to so many bright young people. Some 10 percent of every graduating class pursues priestly or religious vocations!

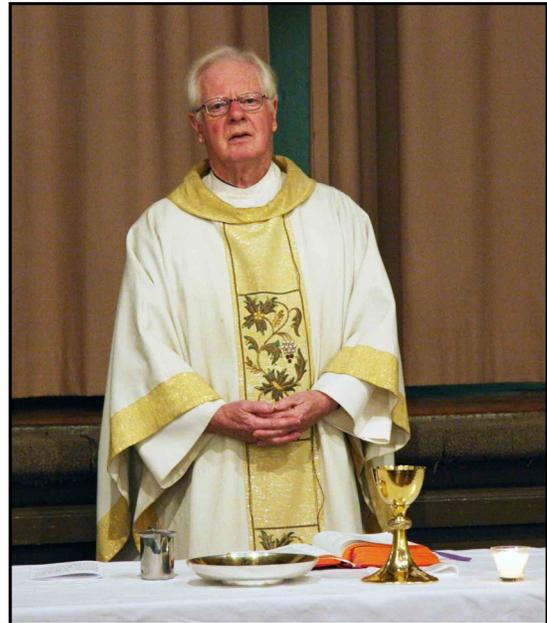

The campus is at 10000 Ojai Road in Santa Paula (805-525-4417). Web site for Thomas Aquinas College is [www.thomasaquinas.edu](http://www.thomasaquinas.edu)

## Deacon's Corner:

### KEEPING THE LIGHT OF CHRIST ALIVE

In the Gospel of Mathew, we read: “When Jesus was born in Bethlehem of Judea, in the days of King Herod, behold, magi from the East arrived in Jerusalem saying, “Where is the newborn king of the Jews? We saw his star at it’s rising and have come to do him homage.”

It always strikes me how short our summers seem, here, in Santa Barbara, perhaps because there will inevitably be three to four weeks of fog in June or July. Either way the darker months of winter seem to drag on for what feels like an entire year. Fortunately we are blessed to have the “Feast of all Feasts” right in the middle of the darkest time of our year.

I can only imagine how the Israelites must have felt, after three thousand years of waiting for their Messiah in a type of darkness. Word had it that the Messiah had actually arrived, and the three strange magi had traveled many days and weeks to tell the people of the great light that had entered the world.

So here we are, more than two thousand years later, and I wonder if the light the magi had spoke of is still burning as brightly as the one that they had seen in the distance and had followed to Jerusalem, and in turn to the house where Mary and the baby Jesus were.

It seems as though many people around us are still living in darkness, or have simply stopped seeing the great light, that is the salvation Christ has offered all of us. Each year we are called to “Rejoice” in the presence of Christ in our lives, and year after year we renew the faith of our salvation in the Kingdom of Heaven.

This Christmas season and throughout the New Year I hope everyone keeps the bright light of Christ burning in their hearts, as well as offering a spark to those living in darkness, by example and good deeds. Jesus offers us salvation only by practicing the deeds he spelled out so clearly in the Gospels. We are called to help those in need; to visit the sick and those who are imprisoned by bars, emotion or addiction, to feed those who are hungry, whether for nourishment or spirituality, clothe those who are cold or vulnerable. This year I wish most of all we are peacemakers, among our neighbors, our families and friends, and even in our parishes. We are called not to judge one another, not to gossip about things we have no facts, and certainly not to harm others who are already hurting.

Most of all we are all called to keep the light of Christ alive, and see it as the magi saw it, the greatest light shining in the darkest sky, and followed it to the one and true salvation.
