Financial Secretary's Report

January and February have been busy months for our Council. Our major event for January was the Annual Clergy-Religious Appreciation Dinner held on Wednesday, January 23. While our Council had a net loss on the event, having the opportunity to show our appreciation to the clergy and our dedicated religious within our area of Santa Barbara County is for us an evening well spent, meeting the members of our Church and those they serve. We thank Fr. John Love for being our guest speaker. Many thanks go out to our brother Knights and others that made this a successful event. In February was the St. Valentine's dinner, an event where husbands and their spouses are honored for many years of devotion to the sacrament of marriage. Again we extend our gratitude to Council members organizing and serving as head chief for the evening. On February 27, we held a First Degree ceremony having accepted into the brotherhood Christiano Fernandes and Brian Simoln.

At our March Dinner, Wednesday March 13, we celebrate St. Patrick's Day. The Social Hour starts at 6:30 PM, Dinner at 7:00 PM. While we are not all Irish by birth, we have the opportunity to celebrate being Irish in our heart. March 27 is our business meeting night with Officer's Meeting at 6:30 PM, Council Meeting at 7:30 PM. On April 24 we hold our annual banquet for essay contest winners, grade school children plying their written skills to win first and second place. Represented are winners, their parents and teachers from grade schools Notre Dame and Our Lady of Mount Carmel. Wednesday April 10 is our business meeting night. Soon we will be choosing a date for Second Degree ceremony. Members that have taken their Second Degree but not the Third Degree are encouraged to register for the Third Degree. Members ready for Second and Third Degrees will be contacted.

Also in this issue Deacon Randy talks about the importance of Lent, listing the key dates of Lent leading up to the celebration of Easter. Our field insurance agent George J. Majoue provides a brief history of the Knight's venerable founder, Father Michael J. McGivney, establishing the first Knights of Columbus Council, and at that time a life insurance plan for hard working Catholic men. Last, our Worthy Grand Knight Hank Peterson explains why the Lenten season followed by Easter is a great opportunity to deepen the meaning and value of our Christian lives.

GRAND KNIGHT'S REPORT

The Lenten season followed by Easter is upon us. This is a great opportunity to deepen the meaning and value of our Christian lives. Our Holy Father's theme this year is for conversion. He demands that, "we renew our faces and hearts as Christians through repentance, conversion and forgiveness." By fasting, prayer, and almsgiving "it is possible to rediscover the joy of God's plan for creation and for each of us, which is to love him, our brothers and sisters, and the entire world, and to find in this love our true happiness."

These are very powerful words because I believe that we are all looking for true happiness. Loving everyone including our enemies may be a little difficult but feasible. To me, the biggest question and challenge is what does it really mean to love God with all your heart and how to utilize this love in our daily lives. I hope everyone has a beautiful Lenten journey and a wonderful Easter celebration!

God Bless and Vivat Jesu!

Deacon's Corner:

Our Days of Lent

The number "forty" is first noted in the Canons of Nicaea, from the Council of the same name in 325 AD, likely in imitation of Jesus' fasting in the desert before his public ministry much like we heard in the Old Testament of Moses and Elijah.

In this season of formation and preparation, we again approach the forty days of Lent from a variety of different perspectives and points along our Christian journey. During this season, new and longtime Catholics alike hear the call to return to God with all their hearts, thus entering a season historically characterized by much prayer, fasting

and almsgiving. These works of charity have for generations served as a means by which new converts prepare for baptism, which occurs as a part of the Easter Vigil. This work is initiated by God, who invites us to come before God with all our hearts throughout the year.

Lent begins on Ash Wednesday, March 6.
Palm Sunday, April 14.
Holy Thursday, April 18.
Good Friday, April 19.
Holy Saturday, April 20. (Vigil)
Easter Sunday, April 21.

WANT TO MAKE THIS LENT YOUR BEST EVER? COME SAVE GOD'S PRECIOUS BABIES FROM DEATH

Mike Engler

It's horrifying: **30 unborn babies are being killed at Planned Parenthood (PP) every week. An ideal Lenten activity for us Knights and our families will be to help save their lives.** We can do this through the local 40

Days for Life campaign, which will start on Tuesday evening, March 5, with a Candlelight Vigil in front of PP, 6:00 p.m. to 7:00 p.m.

Since 2007, 40 Days for Life campaigns worldwide have saved 15,256 babies (and their parents) from abortion, caused 186 abortion workers to quit their jobs, and closed 99 abortion centers! A spokesman for the pro-abortion ACLU called 40 Days for Life the "greatest threat to choice [i.e., abortion]."

40 Days for Life is the biggest global pro-life effort in history, helping grassroots people to save babies' lives through peaceful prayer vigils outside abortion centers. **This Lent, 40 Days for Life campaigns will take place in hundreds of cities worldwide and many cities in California.**

Our theme this year is from Jesus' Agony in the Garden: **"Could you not watch one hour with Me?" (Mt. 26:40).** If every church, group or individual would do that, or would be there even part of an hour, we could fill the sidewalk in front of PP.

Knights from Councils 1684 and 5300 urge you, your wife and your children to join them and other Christians in our local 40 Days for Life campaign, March 6 through April 14. It's simple: just pray (any prayers you prefer) in front of PP, 518 Garden Street. If you can pray at the same hour each week, that'd be ideal, but some prayers there anytime will be priceless. (If you can add some fasting, your prayers will be even more powerful.) **When someone is praying outside an abortion center, 75 percent of the women and girls inside decide not to have the abortions.**

Archbishop José Gomez says, "I recommend to you the peaceful, prayerful witness of 40 Days for Life. ... This program has proven effective in saving the lives of unborn children and sparing women and men the pain and sorrow of abortion."

Fr. Frank Pavone of Priests for Life says, "Priests for Life and I are delighted to have been involved in 40 Days for Life from its inception, and to share the vision and trumpet the call that the Body of Christ belongs in front of abortion centers, to turn despair into hope and death into life!"

Please come join your fellow Christians and save babies. For hours and other details, contact Brother Knight John Kirk at jkirkjr@aol.com or Rita Fennell (1-805-886-8555) or Gisela Cooper (Español /English 1-805-886-3732), and visit <https://40daysforlife.com/local-campaigns/santa-barbara/>

Life Insurance Message

George J. Majoue

This is Our Story: FOUNDED BY A PRIEST TO PROTECT CATHOLIC FAMILIES

The Knights of Columbus insurance story begins in the winter of 1882 in the basement of St. Mary's Church in New Haven, Conn.

It was there that our Venerable founder, Father Michael J. McGivney, gathered the men of his parish together to create a solution to a recurring problem.

Many Catholics — most of whom were immigrants — were working and living in unfavorable conditions. And many, tragically, were dying young, leaving behind widows and orphans with insufficient financial resources.

It was a cold reality that had confronted Father McGivney all too often — not only in the lives of his parishioners — but in his own. As a seminarian, he was forced to leave school and return home to aid his family when his father died unexpectedly.

Though this story of financial ruin for Catholic families was common, Father McGivney was convinced that there was a way to change the ending. He knew that if the Catholic men in his parish came together in mutual aid, widows and orphans could receive the support they needed

He also knew that if Catholic men banded together, united by charity and unity, they could strengthen their faith, their families, and their communities.

So, he established the Knights of Columbus, and with it, a “pass-the-hat” insurance system to protect the Catholic families in his parish. Over time, that system has evolved, and today we stay true to our founding mission through our multi-billion-dollar, top-rated insurance program. Members in the United States and Canada have exclusive access to our insurance program and products, including life insurance, retirement annuities, long-term care insurance, and disability income insurance.

Our charitable giving and fraternal service have continued to grow too. Nearly 2 million men in over a dozen countries across the globe are proud to call themselves Knights. Last year alone, these men and their families donated more than \$185 million to charity and performed more than 75 million hours of service.

Let's meet this month to set a course for you and your family to assist in your years of retirement and future aspirations. To schedule an appointment, contact me at (805) 478-5200 or george.majoue@kofc.org.

I look forward to seeing you at your next council meeting.
