Congratulations:

Congratulations to our newest member of Council 5300 and our newest Parish Deacon, Sergio Lopez. We look forward to working with him in the near future.

Open Officer Positions:

Chancellor: Office of the Chancellor still remains open. This position is not difficult to do, you need only be aware of what is going on with the membership, be the contact point for the prayer list, etc. As this is a “Chair” position, you would have to be willing to move up to Deputy Grand Knight and eventually Grand Knight. Without these positions being filled, the Council will continue to slide downhill and eventually cease to exist. Give some thought and prayer as to where you would like to see this Council in the future.

Membership Chairman: As the name implies, this position deals with the recruitment of new members. This is a very important position as new members are needed to sustain the level of commitment to the Parish that we have provided in the past.

District Deputy Message – Chris Arnoult has taken over the position of District Deputy and we can look forward to him cajoling us to improve our membership. In the near future we will be seeing him, and our insurance agent, George Majoue, organizing recruitment drives here in the Parish.

Blue Mass: Mark your calendars; the Junipero Serra Assembly 044 of the 4th Degree, Knights of Columbus is sponsoring a Blue Mass and dinner to honor the first responders and service people that put their lives on the line to protect us. This will be on Monday, September 17th, starting with a Mass at 6:00 pm in the St. Raphael's Church with dinner afterwards. Dinner will be free to those in uniform and \$20 per person all of us "civilians". Dinner will be a "Blue Mass Special" provided by our chef, Jim Bradbury. There will be an interesting talk by one of the first responders to top off the evening.

October Fish Fry: Friday, October 12th has been set aside for our 2nd annual October Fish Fry. Mark your calendars for future reference. More details will be forthcoming as we get closer to the date.
