## **Fiesta Coke Booth 2002**

By Vince Filippello

We Knights have enjoyed a colorful and festive Old Spanish Days Fiesta for the year 2002. Chairman, Rich Scholl, and Worthy Grand Knight, Brian Klinge want to thank all of the Knights, spouses, family members and friends, who have helped in making this event another success. The Knights of Columbus realized over \$3600 in net income, which will be used for helping those in need and supporting our charitable causes. We served an estimate 5000 cups of Coke and other beverages and 700 bottles of water during the four days we operated. Our gross sales were very close to last year, We continued to experience drink competition from other booths serving lemonade, water and tea, but this year we added water to our menu and competed quite successfully in that area. Perhaps, next year we might want to consider another product to add to our menu to increase sales.

## **GRAND KNIGHT’S REPORT**

By Brian Klinge, Grand Knight

Our ship is launched regarding this Columbian Year. We are well underway and have received many blessings.

I wish to thank all of the people, widows, children and grandchildren of members and members of Council 5300 who graciously volunteered their time and talents to our group in the success of our Fiesta Coke Booth at the De La Guerra El Mercado in Santa Barbara. The results speak for themselves: anticipated net income in excess of \$3,600! This is our largest fundraiser for the year and it is very important that we give it the attention and detail it deserves. These excellent results were the result of the over 90 individuals who participated in every aspect, from initial construction to final tear down.

Our Deputy Grand Knight Rich Scholl chaired this event and did an outstanding job of dealing with the City, planning, organizing, recruiting and staffing the booth. An excellent cadre of Shift Captains assisted Rich. Vince Filippello advised and assisted closely.

When visiting the booth, I was very impressed by the ability, spirit and friendship genuinely shown among our many volunteers. Thanks to ALL those who worked, supported and prayed for our success. It became a reality. Thanks Be to God.

**He who supplies seed to the sower and bread for food will supply and multiply your resources and increase the harvest of your righteousness. You will be enriched in every way for great generosity, which through us will produce thanksgiving to God; for the rendering of this service not only supplies the wants of the saints but also overflows in many thanksgivings to God. 2Cor.8:10-12**

**By the time you get this, the Labor Day picnic will be over. I hope you were able to attend and got a personal boost from this fraternal activity. We are certainly well-fed this month as we also have a parish breakfast and the parish picnic! Speaking of food, remember the spiritual food we partake in our corporate communion. At the picnic we will kick off the Keep Christ In Christmas campaign for this year. Time slots to volunteer at our booth at the parish picnic will be available at the business meeting. See you there.**

**GRAND KNIGHT'S REPORT  
By Brian Klinge, Grand Knight**

Also, in this September issue of Knightline, I would be completely remiss if I failed to note the significance of this month in our history, that date being September 11, the date we were attacked by terrorists. Certainly there have been numerous developments and improvements both internationally and domestically as the results of the attack. I know many of us are Veterans from various eras and wars, World War II, Korea, Vietnam, and the Gulf. And, as Americans, we have rallied behind our President and Country and put aside the petty differences of politics and done and continue to do whatever we can, such as proudly flying our Flag, sending money to the Red Cross, praying for our Country and the families affected, and donating blood. May God continue to bless This, His Country.

The Columbian Foundation For People with Mental Retardation Annual Fund Raising Drive, commonly known by us as the Tootsie Roll Drive will be held from Friday, October 18 through Sunday, October 20. The main goal of this important event is to provide education, training and welfare for people with mental retardation. The Foundation is celebrating its Fifteenth Anniversary, on behalf of people with Mental Retardation. To date, the Foundation has raised over Seven Million Two Hundred Thousand (\$7,200,000.00) Dollars, and they are looking to us for continued support. It is time for all of us to do our part, and YOUR assistance is needed.

## SEPTEMBER FAMILY OF THE MONTH

Written by Brian Klinge, Grand Knight

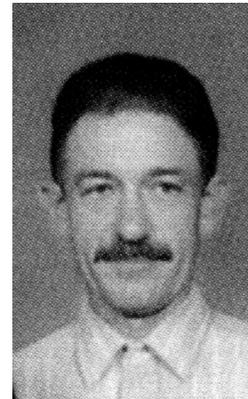

Coyne, Roberta & Paul

For this month, I have chosen a very supportive family, PGK Paul and Roberta Coyne. Paul was our Grand Knight in 1986-87, the 25<sup>th</sup> Anniversary of our Council; Paul has served our Council as District Deputy, Chapter President, Past Faithful Navigator of the Fourth Degree order, and most recently as Faithful Comptroller of the Fourth Degree and Color Corps Commander, and continues to do an outstanding job. In keeping with our Columbian traditions, as can be readily seen; He has filled many positions with the Knights over the years. Paul is an invaluable resource person; I'm sure he will continue to provide our Council members with valuable and meaningful information. He is well organized and utilizes financial expertise and skills to our benefit. Paul joined the Knights in Cambridge, Mass, Council No. 74 in 1956. In 1960, he and Roberta were married. In 1975 he joined Council 5300. Both Paul and Roberta are the proud parents of four children and grandchildren. Paul retired from Raytheon in 1995, after forty years of service in financial management and Controller positions. Roberta retired in May 2000, after 26 years as an Administrative Assistant to the Building and Construction Trades of SB/SLO Counties. They have lived in Santa Barbara now for over twenty-nine (29) years, having left behind the cold winters of the Boston Area.

Both Paul and Roberta have been active in the Church for several years, and serve as Eucharistic Ministers at various Masses, and Roberta was chosen two years ago to Minister to the infirmed. Paul keeps busy playing tennis, golf and gardening in the rose gardens of St. Raphael's, and cooking for the Sociable Seniors, as well as various Knights' functions as previously described. Roberta is enjoying retirement with her various ministries and playing golf, having recently learned the sport, playing Bridge and any opportunity to be with one of her grandchildren. Roberta continues to be to be very supportive of Paul's' numerous activities within the Knights, which I very much appreciate. We are proud to name Paul and Roberta Coyne as our September Family of the Month.

## SEPTEMBER KNIGHT OF THE MONTH

Written by Brian Klinge, Grand Knight

It is my privilege to acknowledge our Brother Knight Larry Torres as "Knight of the Month." This honor is certainly no surprise to those who know Larry, who is "silent" in his service to our Council, such as tearing down of our Fiesta Coke Booth. He and his wife Melinda have lived in Santa Barbara a number of years.

For the past several years, Larry has managed our Blood Drives, held in conjunction with our Paris Breakfasts. He joined the Knights in 1989 and has been a member of the Fourth Degree since January 1991.

Larry is employed as a gardener and uses his expertise and experience for the benefit of St. Raphael Parish.

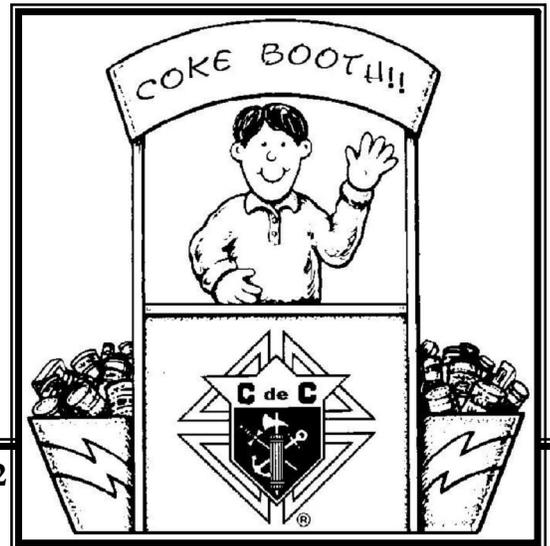

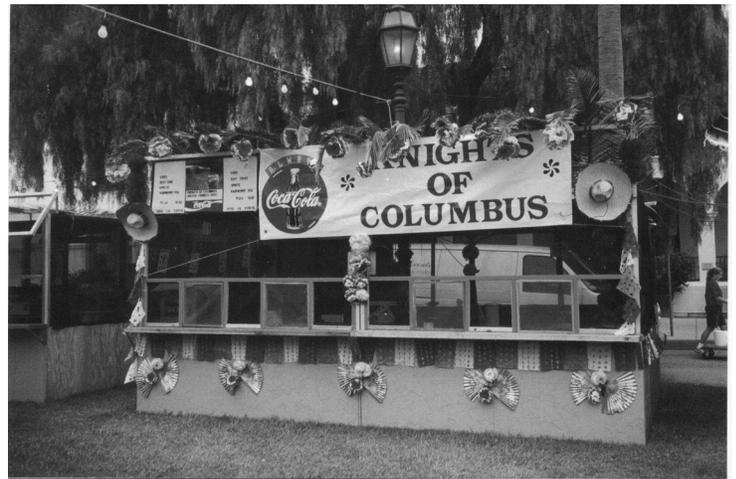

He is willing and helpful to assist brother Knights in doing work and sharing ideas and advice.

Although he seldom attends our business meetings, it is through his "silent activity" that he ceaselessly contributes.

Melinda is supportive of his KC activity, for which we are thankful. I want to thank him for his dedication to Council 5300 and providing his "silent participation," and experience to those members fortunate enough to know him.

**Fiesta Coke Booth 2002  
Knightline Article**

By Vince Filippello  
August 2002

We had a very efficient booth construction team of Mike Donovan, Leonard Gonzales, Tom Puerling, Frank Castelo and Al Meckelborg. Brian Klinge and his son and also Larry Torres and Tom Puerling were there to tear down the booth on Sunday. Larry Torres arrived early and worked so fast that the others thought the booth might have been stolen. Every year, it seems that the City moves the light pole and tree a little within our booth so that we have to adjust the holes in our floor. Putting in the floor is kind of like putting together a jigsaw puzzle, which makes it quite challenging. This year, Frank Castelo bought a couple sheets of plywood and made a new jigsaw puzzle, so to speak. The old pieces just did not fit anymore. Each year we plan to take a picture of the floor, or mark the wood pieces or draw a diagram, but on Sunday we only think of taking it down as fast as possible and getting it back in storage.

The captains and crews performed incredibly and appeared to enjoy themselves, as well. Once again the beverage dispensing equipment performed flawlessly and the convenient set up provided by Bob Montanes of Arcady Distributing was appreciated. We had about 90 people working in and on the booth this year. We had many members of the Soria family serving on the Wednesday third shift and a whole lot of Coynes on Saturday.

The "How To" manual for managing the Fiesta Coke Booth event is being updated for 2003 with more information and helpful hints that should make things easier for next year's chairmen. The manual is kept in the Knights archives in our meeting room office.

Once again, we offer our sincere thanks to all those who volunteered to make the Year 2002 Knights of Columbus Fiesta Coke Booth such a great success.

## GOSPEL OF LIFE

# The Dignity of Hospice

By Robert and Cecilia Marks

The Gospel of Life promotes the protection and dignity of all human life from conception until natural death. During a recent K of C meeting, a member from the Visiting Nurses Hospice of Santa Barbara spoke about their organization. Made up mostly of volunteers, they need to be acknowledged for the work they do—theirs' is a quiet ministry.

I wish to share a personal experience of these people at work. Several years ago the mother of a friend of mine was diagnosed with cancer. She lived in Orange County but as the cancer grew worse my friend wanted her mother closer so she could visit with her on a daily basis. The local Hospice program was able to offer a room in Serenity House where she received 24-hour care. My wife and I would meet with our friend and visit her mother each Friday after which we would go for coffee. One Friday as we were saying goodnight, I leaned over to kiss my friend's mother. She laughed and said, "Oh, Bob that beard of yours tickles!" I was rather startled at the unexpected comment but also deeply touched. Here was a woman dying of cancer and on a morphine drip for the pain. Yet she had the ability to laugh! She died before another Friday came around, however, I remained touched by the incident. She had given me hope that I too might be able to approach death with such dignity. I still feel a respect for this wonderful woman and I show it by keeping my beard in her memory.

The Hospice organization helped to preserve the dignity of this lady and gave me a great admiration for the much needed work that they do.

Should you feel a calling to this type of ministry, please respond. Who knows what lives you will touch!

### **STRENGTH.**

### **SECURITY.**

### **CONFIDENCE.**

*That's only three things you get when you become an insured member of the Knights of Columbus. We could name many more, but let's concentrate on these.*

**Strength.** We are a multi-billion dollar insurer with over four billion dollars in assets. A.M. Best has rated the Order an A++ (Superior) company. More recently, Standard & Poor's awarded us their AAA

**From Bob Jamond, Field Agent**  
**Knights of Columbus Insurance**  
**(805)649-7221**

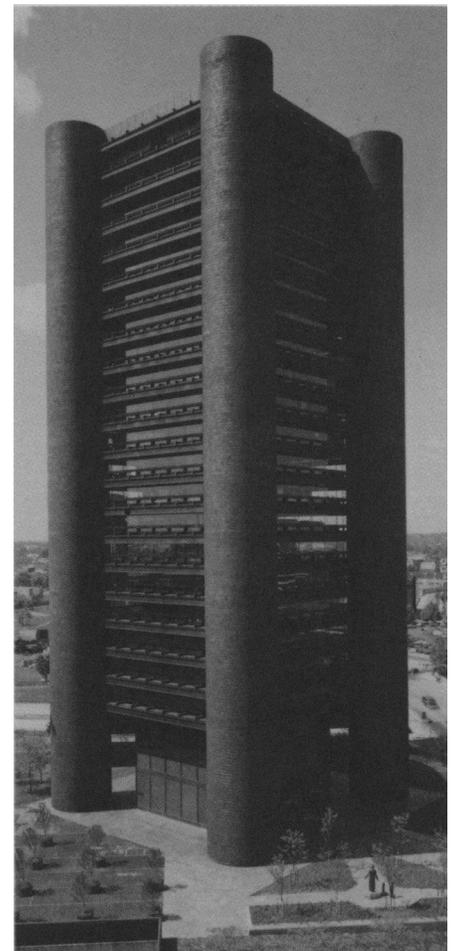

When the word "insurance" is mentioned in casual conversation, seldom are people talking about life insurance. Usually the talk is about car insurance or property insurance. There is a reason for that.

We are all aware that life insurance is not a product most people actively seek. No one likes to think about his or her mortality, and most of us think we are in one phase of a very long life.

Let's consider the "if" factor of insurance. Fire insurance, for example, is generally required by the institution that is lending you the money for your mortgage. They promise to pay you *if* your house burns down. Car insurance is required by states and provincial regulators; providers will pay a claim *if* you have an accident. The same general principal holds true for health insurance too.

Compare these with life insurance. Life insurance protects us against an inevitability: **it will not be if we die, but when.** It is designed to protect against the loss of earning power in the event of an untimely death and, in my experience, it always seems to be untimely. That earning capacity is what enables us to pay for all of the "if" insurance mentioned before.

Your greatest financial asset is your ability to earn an income, and our product is designed to replace that income when death occurs. So, the next time someone asks you, "Who is your insurance with?" answer, "My life insurance is with the Knights of Columbus."

## *Knights Celebrate Founders Birthday*

*September 2002, Knightline 5300, Page 9*

**By Joe Castro**  
**August 25, 2002**

The Knights of Columbus Council 5300 joined Council 1684 on August 11 at Serra Hall for a 150<sup>th</sup> Birthday Celebration for Knights Founder Father McGivney. Over 30 Knights attended, including about 15 Knights from Council 5300.

The celebration included a luncheon featuring delicious barbeque tri-tip and hot dogs, salads, rolls, snacks of all kinds, a wide variety of beverages, and a large birthday cake and ice cream. Grand Knight Brian Klinge demonstrated his cooking talent as a lead member of the barbeque team.

The Knights and their families who attended the celebration enjoyed the warm afternoon by playing games such as ping-pong, croquet, badminton, and baseball. Inside the hall, several families enjoyed playing cards and watched a swing dancing exhibition. Brother Joe Castro and his family brought the outdoor games for everyone to enjoy.

The event was also an opportunity to invite additional Catholic men and their families to consider joining the Knights. At least four new members signed up to be part of the Knights. Those Knights who were not able to attend the celebration this year will not want to miss the next birthday celebration!
