## **MAKING A DIFFERENCE**

A few of Pope John Paul II's words to the world's young people on the occasion of World Youth Day give all of us pause for reflection. "There is no Christianity without an encounter with Christ... Christianity is not simply a doctrine; it is a meeting in faith, with God, present in our history with the incarnation of Jesus... It is not sufficient, in fact, to talk about Jesus; in a certain sense, he must be made to be seen with the eloquent testimony of one's life... Feel yourselves responsible for the evangelization of your friends and of all those of your age." In other words, live our faith fully and share it freely. It is not enough to merely defend our faith when it is under attack. Start with your children and grandchildren. Show them that living a Christ-centered life is really living! Let them know how being a Knight of Columbus makes a difference in your life and ultimately in the world around you. Then you will you will make Jesus visible to those whom you can influence the most. Our family of the month and knights of the month are an example to us on how to transform beliefs into actions. As the Lent draws to a close and with it the Fish Fry's, I would like to thank Ted Osborn and all of the faithful crew members who made this program such a success and so smoothly run. We have exceeded our net income projection and had fun doing it. A full accounting and listing of all those who helped will be given in the May bulletin.

## **Religious of the Month**

### **DOMINICAN SISTERS**

For nearly eight hundred years the Dominicans, or Order of Preachers (laity, sisters, brothers, priests and contemplative nuns), have proclaimed the Gospel of Jesus Christ. Dominic de Guzman founded the Dominican family in 1216. St. Dominic was devoted to prayer, study, and the preaching of the Gospel. He was intensely involved in the issues of his times, and had a particular sensitivity to the poor. Originally, the sisters' convents were monastic and were remarkable for intense spiritual mysticism and intellectual life. There was also some sentiment among the order of priests against having an order of women under their charge as a distraction from their apostolic mission. But the order of sisters grew rapidly from new vocations and existing convents placed under the Dominican rule. Catherine of Siena is the most well-known Dominican sister. From humble beginnings, she developed very early in life a high level of mysticism and personal sacrifice. She served the sick and poor as well as the pope as a virtual secretary of state. During the religious persecutions of the 18<sup>th</sup> century, many Dominican convents were disbanded, but they recovered much after being restored. Since then the order has spread worldwide. For instance, there are active convents of Iraqi Dominicans ministering to people injured in the recent war and teaching in Iraqi schools.

Dominican sisters were first established in 1822 in the United States in a log cabin in Kentucky. They drew their first members from among Americans while other Dominican congregations established from transplanted groups of sisters from Europe. The many congregations of Dominican sisters in the USA are independent organizations following a similar rule. They vary in their level of monastic life and in their religious attire. Most congregations in the USA have branched out to other areas and even other countries. The Federation of Dominican Sisters USA, started in 1999, is a new step to to associate various congregations for greater strength, efficiency and unanimity of spirit and action.

There are 2 Dominican sisters in Santa Barbara. Sr. Maureen Driscoll teaches in the writing program at UCSB and Sr. Mina Reggs works on the St. Raphael's Parish staff. They are members of the Adrian, Michigan Dominican congregation merged with the Edmonds, Washington congregation, both of which trace their beginning to the arrival of sisters from a contemplative congregation in Bavaria to teach in New York in the 1800's. The history of the Dominican order is a study in response to the word of God to love our neighbor as ourselves.

**Knight of the Month for March  
Joe Castro**

This month's Knight of the month, Joe Castro, is a man whose actions speak for his commitments. Joe lives with his wife, Mary, and two children, Isaac and Lauren in Goleta. He is an example to us as a knight in action first in his family. Joe was our Church Program Director for a year and is now our Treasurer. Joe has also taken the responsibility of heading up an elections precinct team. As if this were not enough, Joe often works on other program event teams. Joe works at UCSB as head of the minorities outreach program. Thanks, Joe, for your loyalty to faith, family and council.

**Knight of the Month for April  
Ted Osborne**

This month's Knight of the month is a behind the scenes kind of knight. Ted has been editor of the Knightline for 4 years. Each month he has faithfully put together our publication on his computer and has spruced up the pages with pictures from his digital camera and clip art brought in from other sources. In February, Ted started another big project: he is chairing the Fish Fry dinners for the 6 Fridays of Lent. He has put a lot of time into it and the results show in the happy diners' faces and their compliments and the efficiency of the whole operation. Ted is a clerk and buyer at Bedrock Bling Supplies, selling concrete products but the bedrock of his life is his relationship with Jesus. Thanks Ted, the whole council appreciates you, especially our Grand Knight, for all your steady help.

**Purpose of the Color Corps**

*Color Corps Drill Manual*

"In those days when knighthood was in flower, the Knights of old carried the sword to defend God, Church, Country and fellow man according to the code of chivalry. In our times, Sir Knights wear regalia and carry the sword to honor Christ and His Apostles, especially on religious and civic occasions.

The color corps members exemplify all the principles of our Order: Charity – by free and willing sacrifice of the time and energies necessary to practice, perfect and perform the ceremonials and sword drill; Unity – what could better publicly display unity than a coordinated drill of a body of men; Fraternity – can also be expressed as esprit de corps sharing a common desire for drill excellence; Patriotism – precision drill is a salute to our God and our country and visually exhibits a love for both."

## **Council Activities Report** **Stephen Schlesselmann**

### **Food for Thought**

As we re-live the death and resurrection of Our Lord, it's a good time to meditate on the supernatural life. "Enter into the wounds of Christ crucified. There you will learn to guard your senses, you will have interior life, and you will continually offer to the Father the sufferings of our Lord and those of Mary, in payment of your debts and the debts of all men". (point 288 from the Way by St Josemaría Escrivá de Balaguer).

### **Current Activities**

There were a few noteworthy activities that took place between February 23 , 2004 and March 28, 2004:

- 1) Fridays of Lent-Ted Osborne hosted weekly fish fry dinners in the parish hall.
- 2) Mar 08, 2004 -Nick Vitalari, a member of our council, gave a presentation on the harvesting of human embryos for stem cell research and replacement. Nick warned us of a bill that California voters will be asked to approve in November that will help fund this type of research. We need to act now in order to stop the bill before it is put before the voters. Nick promised that he will write a follow up article in the Knightline about the issue as well as details about the bill.

3) Mar 28, 2004 - Our monthly pancake breakfast was held in the hall. Upcoming Activities There are a few upcoming events to keep on your calendar:

- 1) March 29, 2004 - Founder's Day- On this date in 1882, the Knights of Columbus was officially incorporated by Fr. McGivney.
- 2) April 11, 2004 (Easter Sunday) - Volunteers are needed to help with parking before and after the Masses.
- 3) April 12, 2004 - Our monthly business meeting will be held in the hall. A 2nd degree ceremony will take place during the meeting.

4) April 25, 2004 - Our monthly pancake breakfast will be held in the hall. Miscellaneous

- 1) I hope most of you have had a chance to see the movie "The Passion of the Christ". As was stated so well by Rich Scholl in the last bulletin: "It is an emotional powerhouse". If you haven't seen it yet, please do so before it leaves the area.
- 2) Joe Castro is in the planning stages of starting a group of Squires at UCSB. If any of you are interested in helping please be sure to give Joe a call at 968-5240.
- 3) If any Knight has pictures of events since July 1 that they want to include in the yearbook, please send a copy of them to Ted or myself. Ted's email address is teddy1081@cox.net and mine is sjsschlesselmann@cox.net.
- 4) We are moving slowly forward with the planning of the bus trip and tour of Our Lady of Angels cathedral. I've been in contact with Red Line Tours and they have indicated that May 15 or May 22 would be good dates to do the tour. Stay tuned. More details will be forthcoming shortly.

Thank you.

I want to say a special thank you to Ed Page who was there every week fixing the Cole Slaw and didn't complain when the store ran out of Cole Slaw dressing and he had to use my own recipe. Paul and Evelina were tireless in their efforts and very helpful. A big God Bless you and thank you to all of you hard working Knights and Knighties and friends of the Knights for making this event happen. I was told many times that I was doing a great job and you all were the reason. Thank you for making me look so good!

**Junipero Serra Assembly  
Fourth Degree Report  
Michael Donovan, Faithful Navigator**

The public appearance of Fourth Degree Knights as honor guards at civic and religious functions is an important activity of each Assembly. Their colorful caps and chapeaux add dignity and a pride of church and country to any event. By these public demonstrations, their loyalties bring credit to themselves and to the Knights of Columbus.

The Color Corps has two sub-groups, the honor guard and color guard. The Honor Guard is members of the Color Corps who have mastered the manual of the sword. The color guards are the flag bearers and at least two honor guards escorting the colors.

In many assemblies, all members of the Color Corps belong to the Honor Guard. Hence, in practice, they are referred to by either term”
