GOLETA VALLEY COUNCIL 5300 – 1961-2003

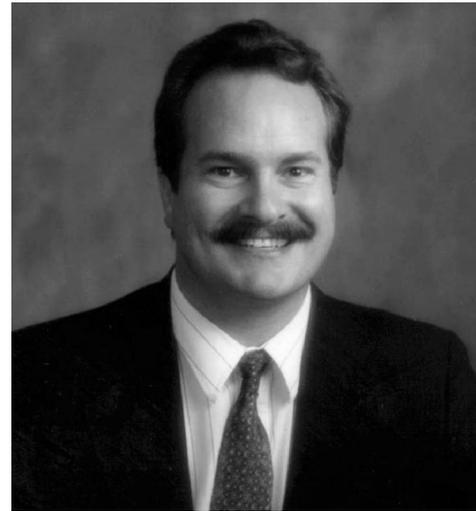

September 2004

The Fiesta Comes Through

We were blessed with nice hotweather this Fiesta, which made all of the people in De La Guerra Plaza very thirsty. That and the hard work of many people gave us a very profitable year. The numbers on expenses are not completely in yet, but our income was over \$10,000.00, which is around \$2000.00 more than last year. There were many times during the four day event when we were selling drinks as fast as we could pour them. We actually ran out of some soft drink selections – but not until late in the last shift – so it worked out perfectly.

Rumor has it that we took over the Coke booth in De La Guerra Plaza years ago after council 1684 gave up on it. Their loss was our gain, and the Coke Booth has evolved into a great fund raiser for us. It is a lot of work setting up the Booth, dealing with the Old Spanish Days organization, the Health Department, the State Board of Equalization, and vendors, but it is also a lot of fun. Working the Booth is busy and entertaining for all the shift workers.

Many thanks to all of those who helped out this year; the set up crew, the decorations crew, the shift captains, all of the booth workers and the tear down crew all did a great job and helped us raise a lot of money. Special thanks to Jim Bradbury for letting us use his big nasty flatbed truck to haul

everything back and forth.

Coming up at this month's business meeting is a vote on a resolution regarding the pantry in the Parish Hall. As any of you who have worked in the kitchen know, the pantry is a congested, unorganized mess. Last year we were given a stern warning by the Health Department that if we didn't shape up, they would shut us down. That means no Pancake Breakfasts, no 4th Degree Dinner Meetings, no Oktoberfest, nothing. Luckily (once again) we have Brother Jim Bradbury, an ace carpenter. Jim has taken the time to design a new system of shelving for the pantry that will not just bring us into compliance with the

Charity Fund Report

The Charity fund already has its first contribution. It came from the caterer at the Grand Knight's Party in June. PGK Rich Schll goes into detail elsewhere in this edition of the Knightline.

The Charity fund is a way that independent contractors amongst us can get a little free advertising by pledging a portion of any income they receive through their affiliation with the Knights to a fund that will go directly to a charitable organization chosen by the council. So far we have the following participants:

NAME	TELEPHONE	SERVICE OFFERED	PERCENTAGE OFFERED
John Vogel	886-6131	Real Estate Sales	20%
South Coast Realty (Joe Darga Family)	964-4276	Rental Property Management	1 Month Free Management

If you are an independent contractor and would like to join this wonderful program, give a call to Grand Knight John Vogel at 886-6131.

DISTRICT DEPUTY REPORT

Brother Knights,

I wish to thank PGK Larry Stigney for his support and mentoring me this last Columbian Year, while I served as his Warden. I also had the opportunity of serving as his "Warden" for the combined Installation of Councils 5300 and 1684.

I have been very busy since assuming this new responsibility this last June, my initial thought was, "What have I done to myself?" Since then, I have met personally with the new Grand Knights of each Council in our District and discussed the upcoming year's plans; Installed Council 10067 (Ventura/Saticoy) with the help of our new District Warden, Cherif Koury, PGK of Council 1684; conducted a Second Degree Exemplification; have been in communication with each Council's Grand Knight and Financial Secretary regarding pending reporting 'deadlines,' and generally been a Cheerleader for the Statewide MEMBERSHIP BLITZ coming up the weekend of September 18-19.

We will have a very busy year, with a many activities coming from Supreme and State. This is in addition to the activities of each Council during the course of their Columbian Year. Let me encourage each of you to participate in an activity of your COUNCIL, it will make a tremendous difference in the final outcome. As our Supreme Knight Carl Anderson reminds us, "THE BEST IS YET TO COME".

Vivat Jesus! Brian Klinge, DD#59

Health Department, but will make the room an efficient and logical storage area. Jim has offered to build the shelving for us (with the assistance of some of us weekend carpenters), but the materials are expensive. As any of you who have gone out to Orchard or Home Depot to buy lumber knows, wood has really gotten pricey. The estimated cost of this project is around \$600 - \$700. The 4th degree assembly has offered to split the cost of this project with us since they also rely heavily on use of the pantry. Therefore Worthy Faithful Navigator Joe Ponce and I are proposing resolutions to our membership to pay for this necessary project. In our resolution, Council 5300 would authorize an expenditure of up to \$350.00 for this project. The Assembly's resolution is basically the same. Since this was a non-budgeted item over \$200, the resolution must be published here in the Knightline and then voted upon at our next business meeting on September 13th. Please read the resolution elsewhere in this edition of the Knightline and come to the next business meeting to have your say.

Resolution

The following resolution was submitted at the August 9th business meeting, and will be voted upon at our next business meeting on September 13th.

RESOLUTION

Whereas the Health Department requires specific shelving for our pantry, we hereby resolve and approve expenditure not to exceed \$350 (of the estimated \$700 total cost) for the construction of new shelving, the balance of the estimated cost to be paid by the Junipero Serra Assembly.

Knights of Columbus Protocol

By Don Aubrey

Similarly, when a visiting dignitary, such as the District Deputy or State Officer or similar VIP, visits the Council his arrival will be announced in a similar manner and he will be escorted to his place in a similar manner. If, when the GK calls a meeting to order one of these VIP is present, they should take a seat in the Chamber and the GK will then direct that he be escorted to his proper place (as above). If the Chaplain or VIP departs before the meeting is adjourned he will be escorted to the door by the Warden, at the direction of the GK.

Watch next month's lesson.
Remember PROTOCOL.

PROTOCOL II: A second courtesy is that of standing when members of the Clergy enter or leave the Chambers. When, for example, the Chaplain enters the Chambers the Inside Guard must salute the GK and announce in a loud voice, "Worthy Grand Knight". When recognized by the GK he will announce, "The Chaplain of this Council has entered the Chambers." At this time the GK will rap the gavel three times (directing the membership to rise) and announce, "Worthy Warden". The Warden will go to the center of the Chamber and salute the GK. The GK will announce, "Worthy Warden, please escort the Chaplain to his seat at the head table." The Warden will then salute the GK and DGK, proceed to where the Chaplain waits and escort him to the center of the chambers. There both the Warden and the Chaplain will salute the GK and DGK and the Warden will escort the Chaplain to his seat by the most direct route. When the Chaplain has taken his position the GK will rap the gavel once to seat the assembly. Note that the Chaplain does not come in and proceed to a seat by himself as does most any other member.

Food for Thought

Since this report is being typed on August 15, the following quote from the Way seems timely: "Love Our Lady. And she will obtain abundant grace to help you conquer in your daily struggle. And the enemy will gain nothing by those perversities that seem to boil up continually within you, trying to engulf in their fragrant corruption the high ideals, those sublime commands that Christ Himself has placed in your heart. Serviam! -"I will serve" (point 493 from The Way by St Josemaria de Balaguer). Current Activities There were a few noteworthy activities that took place between July 21, 2004 and August 30, 2004:

- 1) July 25, 2004 - The knights hosted their usual end of the month pancake breakfast.
- 2) August 4-7, 2004 - Various knights staffed the soda booth at De La Guerra Plaza. It was very busy and as John reported at the last business meeting, we grossed the largest amount ever! (Hopefully, by now, most of those with aching muscles have recovered).
- 3) August 29, 2004 - The knights hosted a pancake breakfast after the morning Masses and there was a corporate communion at the 9:30 AM Mass.

Upcoming Activities

There are a few upcoming events to keep on your calendar:

- 1) - September 6, 2004 - Our annual Labor Day picnic will be held at Stowe Grove Park. As usual, it should be very enjoyable. Brother Felix Sanchez will be hosting the event. There will be the usual mouth watering tri-tip steak as well as nachos. Beer also will be available. Make your plans now to be there and enjoy the afternoon with your fellow Knights.
- 2) September 18, 2004 - Oktoberfest. All of us who went last year thoroughly enjoyed the evening. According to Brother Rich Scholl, Paul and Evelina Curzan will be providing the musical entertainment along with a strolling accordionist. Brother Rich has even promised to teach us a few dances. The cost is only \$14 if you buy your tickets in advance or \$17 at the door.
- 3) September 26, 2004 - The parish picnic will take place on the school grounds in the afternoon. Our booth will be selling tri-tip and nachos.
- 4) October 9, 2004 - The trip to Our Lady of Angels that has been frequently mentioned in this report, will actually take place (Cue the Hallelujah chorus!). See the details in a separate report in this Knightline.

Thank you.
