GOLETA VALLEY COUNCIL 5300 – 1961 - 2006

September, 2006

FIESTA COKE BOOTH 08/02/06-08/05/06

Pictured above is the 2006 Coke Booth. As noted in my Grand Knight's report, thanks to Dan Knauss and many Knights, this year's Coke Booth was a big success. Thank you to everybody for your hard work! (By the way, our price was \$3.00 on the 1st day of the Fiesta; but we dropped it to \$2.00 thereafter).

GRAND KNIGHT'S REPORT

By Stephen Schlesselmann, Grand Knight

A Spiritual Thought:

Dear fellow Brother Knights of Columbus,

As we go about our daily work serving in the Knights of Columbus, work, the Church, etc., reflecting on the following quote from **the Forge** by **St. Josemaria de Balaguer** may help: "Say slowly to the Master: Lord, all I want is to serve you. All I want is to fulfill my duties and love you with all my heart. Make me feel your firm step by my side. May you be my only support! Say this to him slowly...and really mean it!" (**page 681 of the Way/Furrow/the Forge by St. Josemaria de Balaguer**).

The month of August has been another busy month for our Council. We started out the month with one of our biggest fundraisers of the year: the Fiesta Coke Booth. This year's version of the Coke Booth was coordinated by Brother Dan Knauss who did an excellent job! Brother Dan not only put in a significant amount of time before the event but was on call to handle the various inevitable

Food for Thought

*Prayer of
Mother Teresa*

DEAR JESUS, help me to spread Thy fragrance everywhere I go. Flood my soul with Thy spirit and love. Penetrate and possess my whole being so utterly that all my life may only be a radiance of Thine. Shine through me and be so in me that every soul I come in contact with may feel Thy presence in my soul. Let them look up and see no longer me but only Jesus. Stay with me and then I shall begin to shine as you shine, so to shine as to be a light to others.

Chancellor's Report
Dan Knauss, Chancellor

Please pray for the repose of the souls of:

Tony Gonzales, brother-in-law of PGK Felix Sanchez; PGK Chuck Burke (5/13); Edward Ochoa; Joel Wenzinger, son of PGK Dale Wenzinger; Kathleen Ann Meckelborg, wife of Al Meckelborg; may God grant them peace and comfort.

Please pray for Brother Knights who are ill or recovering from illness:

Jesse Garcia; Leonard Mooy; Fred Cota; George Romich; George Gritt; Don Benn; Daniel Bunke; PGK Dick Hopper.

Other persons for whom prayers are requested:

Eleanor Cahill, wife of Fritz Cahill; Nancy Herrera; Ann Marie McBeth, daughter of PGK Max Keller; Patrick Donohoe, son of PGK Frank Donohoe; Ellen Velasco, granddaughter of Bruce Velasco; Theresa Meza, sister of Jose Meza; Michael T. McGrew, grandson of Tom Cordeiro; Glen Sliger, father of Terry Sliger; Barbara Vogel, mother of PGK John Vogel; Barbara Friedrich; Betty Benn, wife of Don Benn; the niece of PGK John Vogel; Bill Kestel, brother of John Kestel; Steve Schlesselmann's sister's family; Donna Abels, wife of Jim Abels; Larry Torres, Jr.(at home waiting for liver transplant), son of Larry Torres; Steve Schlesselmann's father; Cay Donohoe (heart surgery), wife of PGK Frank Donohoe.

If you know of any corrections or changes to this report, please contact Dan Knauss by phone at (805) 964-2442 or at daniel@gvoptical.com.

Financial Secretary's Report
Ralph Wengler, Financial Secretary

New Badges

For the first twenty five to thirty years of the life of Council 5300, a badge was issued to each incoming member of the Council. Wearing of the badge was mandatory and there was a fine if you attended a meeting without one. As the initial supply of badges became exhausted, your penny-pinching FS procrastinated on ordering more because he had heard that there was a setup charge for each order. The result was that badges no longer were issued to incoming members. A further result was that the "kitty" no longer had an income because badges were no longer checked along with membership cards at the beginning of the meetings.

New badges have been purchased and will be issued to every First or Second Degree Member. The practice of the Council supplied pocket badges will continue as the members take their Fraternal Degree.

The universal use of badges helps not only old timers, like myself, but the entire membership to attain name recognition. We each like to be addressed by name and the badge system helps. At the next Business Meeting, the new badges will be available. At subsequent meetings, fines will start for those who do not have a badge, unless the member receives his badge at that meeting. Third Degree Members, who have misplaced their badges, should contact the FS to arrange for a replacement.

Report of the 4th Degree
Bill McLafferty, Faithful Navigator

The installation of Assembly officers for the new Columbian Year was well-attended on July 29th. The installation ceremony was ably conducted by Worthy Master Manual Lima with the assistance of

Worthy Marshall Ernie Bingham. After the ceremony, a luncheon put together by the Faithful Navigator's wife, Lady Carol McLafferty, was served. We temporarily ran out of sandwiches and Carol had to drive to Costco to buy additional food. It is important that members attend ceremonies such as installation of officers to make them aware of and a participant in the activities and rituals of the Knights of Columbus and to provide encouragement to those who assume office. Perhaps next time, we'll have a better idea how many will actually show up. Thanks to those of you who witnessed this impressive event on a Saturday morning, no less.

Our first dinner meeting of the Columbian Year was on August 21st and it was also well-attended. The guest speaker for the evening was Gary Blair, the Chief Executive Officer of the Santa Barbara Superior Court as well as Jury Commissioner. After a dinner of humongous hamburgers with all the fixings, French fries and ice cream sundaes for dessert, the members were treated to an explanation of the new jury system recently adopted by the court. Mr. Blair explained that the court went to a one summons system, which summons is served on prospective jurors at least 30 days prior to the reporting date. If the person receiving the summons has a vacation planned for that time or surgery scheduled or any conflict on the calendar, he or she can return the summons with a request to be deferred to a later date (about 60 days) along with the reasons for the request. Unless they hear from the Jury Commissioner, they do not have to appear on the reporting date, but they will receive a new summons for the new date requested when that time arrives. If a deferment is not requested, the person must appear on the reporting date or when the telephone summoning system indicates and bring the summons with him or her. Excuses will not be handled by jury commissioner's personnel on the reporting date, but must be made directly to the judge.

Blair went on to warn of the dangers of non-appearance when summoned and not deferred or excused. A special calendar will be set up and truants will be summoned for an Order-to-show-cause hearing before the Presiding Judge which could result in monetary sanctions or jail-time if they are

found guilty of contempt of court.

The good news is that you are only on the hook for 5 business days and if you are not summoned during that time or if you are called and excused, you will not have to face another summons for a year. Mr. Blair added some interesting statistics on percentages of nationalities that actually respond to jury calls or can actually serve on a jury. At the conclusion of his talk, Blair accepted questions from the knights, some of which contained helpful suggestions as part of the question. I want to thank Gary for a very informative talk on a subject on which I get many questions over the years.

Our next meeting will be on September 18th at Moby Dicks' Restaurant on the pier when the Knights may escort their ladies to a great dinner of salmon, steak or chicken. The price is \$25 a person which includes tax and tip. You may order your selection when you arrive that evening. Please pay me for your dinners by September 11th.

Judge Rogelio Flores of the Superior Court and his wife will be our guests at the dinner and he will speak to us about Drug Court. He will answer any questions you may have about this controversial program at the end of his talk. Judge Flores is a fellow Knight from Santa Maria and is an expert on his subject.

We may have another Ladies' Night Out scheduled for November. Stay tuned.

Our thanks to Jim Bradbury and Jose Meza for the great hamburger treat at the last meeting! What would we do without them?

Insurance Agent's Report
David Farebrother, Field Agent

Life Insurance Awareness

September is Life Insurance Awareness Month. To help educate consumers about the need for and

value of adequate life insurance protection, the Life Insurance Market Research Association (LIMRA) has published the following five facts. These statistics are certainly worth considering:

Fact 1: Nearly three fourths of North Americans agree that life insurance is the best way to protect against premature death of the primary wage earner.

Fact 2: Twenty-four million households have no life insurance protection at all. Almost one third of adults have no life insurance protection.

Fact 3: Forty-four percent of all households either don't own life insurance and believe they should, or own life insurance and believe they need more. Among those that already own some life insurance, 40 percent believe they don't have enough.

Fact 4: One fourth of primary wage earners feel they do not have a plan in place to provide a decent standard of living for their family if they died tomorrow. Twelve percent of families would immediately have trouble meeting everyday living expenses and another 15 percent would have difficulty keeping up after several months.

Fact 5: People would like to discuss life insurance with a financial professional. Consumers feel buying life insurance is an important and complex financial decision. Half of them find it difficult to decide how much to buy, and 43 percent worry about making the wrong decision.

I'd like to meet with you in your home, at your convenience. I'll work with you to make sure your family is protected. As a brother Knight you can trust me; I'll take the stress and worry out of the buying decision. Give me a call.

To contact me with regards to this or any of your insurance needs, please email me at dlfarebrother@aol.com or call me at either of the numbers listed below. I look forward to hearing from you.

Fraternally,

David L. Farebrother, California Dept. of Insurance

Community Director's Report
Rich Scholl, PGK, Community Director

THE NEXT LEVEL IN THE FIGHT FOR MEDIA DECENCY

Now that public opinion has resulted in active enforcement of obscenity and indecency laws for regular TV broadcasting, another level in the fight is emerging. At this time, cable is free to project the lowest levels of indecency into your home and YOU PAY FOR IT! You pay in two ways. First, advertisers who support filth pay for their ads in the cost of products you buy. Secondly, whether you view these programs or not, your cable subscription supports them.

One of the cable networks that continually pushes the indecency envelope is the FX network. The FX network continues to air some of the most sexually explicit and graphically violent programming on advertiser-supported basic cable. You are helping to pay for this content.

FX's latest outrage was an episode of *Rescue Me* in which a man was graphically shown raping his ex-wife, who was shown as learning to enjoy it. FX has recently aired other contemptible programming as well:

- A high school student brags to his uncle that he is having sex with his science teacher. Instead of turning her in, the uncle begins an affair with the teacher who complains that he isn't as good a performer.
- On Nip/Tuck this season, a funeral worker stole body parts from deceased women to create a sort of Frankenstein monster. He completed his creation by attaching his deceased sister's head and then had sex with the corpse.
- A teenaged boy discovers the middle-aged woman he was sleeping with was actually a transsexual who was engaged in a pseudo-incestuous relationship with her adopted son.

These programs are coming into more than 75% of American TV Households as part of their basic cable subscription. That means the depravity described above is available to children in over 80 million households. Are your children or grandchildren included?

Cable industry behemoths have spent countless millions of dollars lobbying congress to block cable choice. They've even announced a national advertising campaign to tell you, the customer, that you don't need cable choice -- all you need is the industry's blocking devices. But of course they expect you to pay for the channels you block.

Please Take Action

Please Take Action today by going to <http://capwiz.com/parentstv/issues/alert/?alertid=8877461> and sending a letter to your representatives demanding the right to choose which cable channels you will pay for and have coming into your home. Bills are being introduced into Congress to create cable choice. If millions of people opt out of these channels, either the content will change or these networks will go out of existence.

We ask you to **contact Wendy's, Visa, Toyota and Staples** -- companies that are sponsoring this extremely violent, profane and sexually explicit programming -- and ask them whether this type of content reflects their corporate values.

Without action by the public, indecency has proliferated, but we have proven that the voice of the people will be heard. Now let us be heard on this issue!

Mission Diocese in the Far North *by PGK Rich Scholl*

After spending four years at the University of San Francisco studying Mathematics, I was ready for some adventure. I decided that the place for me was Alaska, where lay volunteers were needed to serve the church in the Diocese of Northern Alaska. In this article, I will give you a few facts about this most northern diocese in the USA to show you the lengths to which dedicated people have gone to spread and keep the faith.

The Diocese of Northern Alaska was established in 1962 as a missionary diocese directly under Rome's Sacred Congregation for the Evangelization of Peoples. Francis Gleason, S.J. was the first bishop. This is a diocese described by large and small numbers. It encompasses about 410,000 square miles, which is more than 2.6 times the size of California and over 1.5 times the size of Texas. Out of only 155,000 people, there are about 20,000 Catholics dispersed in 49 communities of which only 9 are accessible by road. About 40% of the membership of the diocese are Alaskan native Eskimos or Indians. The weather can be extreme. I personally experienced a range of temperatures from 93 degrees above to 72 degrees below.

Priests and Religious witness to Christ in solidarity with the people just by living the life of the far north. In the early days, priests often had dog teams and boats with outboard motors to travel their parish from one Eskimo or Indian village to another and to gold mining camps. Now the 24 priests and 2 brothers of the diocese are more likely to be seen in the pilot seat of a plane equipped with "tundra tires". Religious have come from the U.S., France, Italy and Germany as volunteers to serve in this mission area. I remember one elderly Ursuline, Sister Thecla, still serving in the bush, who spoke Italian and Eskimo but not much English. Several priests, brothers and volunteers have lost their lives to the vagaries of travel in the bush. Ministers of the Word here usually include mechanical, carpentry, electrical and plumbing skills in their resume since they may have to build or repair the church or living quarters before they can use it in some places.

The Diocese of Northern Alaska has a unique, thriving Native American deaconate program, with training facilities out in the bush and 39 currently ordained. This program is a model for the entire church with the decreasing number of priests. The Jesuit Lay Volunteers, started here in 1956, helped to build and staff churches, schools, parishes, hospitals, a radio station and diocesan offices. Now this Jesuit lay ministry has spread to the entire U.S. And yes, the diocese has a radio station to project the Church's presence and love to this far-flung population, and far into Siberia. It was the first Catholic radio station and has won many religious

and secular broadcasting awards.

If you want to read more about grand adventure in the Diocese of Northern Alaska, a good place is the catalogue of The Alaskan Shepherd newsletter on the internet at:

<http://www.cbna.info/shepherd/shepherd.html>.

Pro-Life Director's Report

Bob & Cecilia Marks

Pro-Life Couple

**Women Paid to Carry Baby to 12 Weeks before
"Harvesting" for Beauty Treatments**

By Hilary White

LONDON, August 8, 2006 (LifeSiteNews.com) – The ancient quest of fashionable women to stave off the effects of age has always left them open to the claims of swindlers. The latest edition of the snake oil chronicles, according to the UK's Daily Mail, has a more "scientific" cachet and involves injecting stem cells gleaned from aborted babies as well as umbilical cord blood directly into the skin.

Scores of British women are opting for a procedure that stem cell experts are condemning as charlatany. A private British clinic makes arrangements for well-to-do English women to travel to Rotterdam in the Netherlands for the treatment, which is as yet illegal in the UK. Treatment centres can be found online, the Mail reveals, offering "aesthetic stem cell treatments" for between £150 and £20,000.

The Daily Mail, however, only mentions the use of umbilical cord stem cells in these treatments and describes this as "barbaric," while the paper's editorial policy is in full support of abortion and embryonic stem cell research. The Mail conflates the debate on stem cells calling all stem cell research "controversial," including ethically unproblematic and medically successful umbilical cord stem cell treatments.

Under the headline, "A Barbaric Kind of Beauty," The Mail's Andrea Thompson writes, "In America, President Bush has denounced stem-cell therapy

even for medical purposes as 'godless', vetoing any public funding." Bush, however, along with the pro-life community, has condemned only that stem cell research that results in the death of human beings at the embryonic stage of life.

While the Daily Mail misrepresents the nature of the stem cell debate, a U.S. group has found the real barbarism. Concerned Women for America has discovered that the practice of abortion being used to provide tissue for beauty treatments in such exclusive clinics is widespread.

Concerned Women for America says that poor women are being paid up to \$200 dollars to have their unborn children killed between 8 and 12 weeks gestation when the fetuses are "harvested" for their stem cells, which are then sold to exclusive cosmetic clinics.

Dr. Janice Shaw Crouse, Senior Fellow of CWA's Beverly LaHaye Institute said "It is hard to believe that such atrocities are going on today. These exclusive and exorbitant treatments are available in such varied locales as Barbados, Moscow, Dominican Republic and in Rotterdam." "Not only is the origin of the fetuses immoral and inhumane; there are medical problems and complications associated with the injections. This savage and repulsive 'brave new world' of human sacrifices in the quest for eternal youth is a prime example of the end results when all moral boundaries are destroyed," Crouse continued.

Abortion Encouraged in Ukraine as Unborn Babies Used for Russian Beauty Treatments.

THE FLORIDA EXPERIENCE
The 124th SUPREME CONVENTION
ORLANDO, FLORIDA

"What an Event"

by Brian F. Klinge, FDD, PCP

SHORT VERSION: IT WAS *GREAT*...WOW!!

LONG(ER) VERSION:

I had the opportunity of being one of ten representatives from California at the recent 124th SUPREME CONVENTION, held in Orlando, Florida, August 1-3, 2006. In total, there were approx. 50 of us there to represent Calif. I was selected because I had served as the Los Padres Chapter President during Columbian Year 2005-06 and we had accomplished our mission and goals. This next Columbian Year, I will work for the State Officers as an Auditor.

Following our first principle of Charity, the theme of this convention was 'Living Caritas Est', based upon the Pope's first encyclical.

This Convention was held at the Orlando World Center Marriott Resort & Convention Center, the largest Marriott resort in the world, with over 400,000 sq. feet of meeting rooms/areas and four towers of guest rooms. It was very near Disney World and other tourist attractions, but I did not go there. (Some attendees had taken their families and they took advantage of those attractions, I am sure.)

Monday, July 31 was Hospitality Room Day. Our Calif. delegation served Calif. wines and cheese. We greeted and entertained other KC delegates and wives from around the World. We must have had over 1,000 people through our California Suite. (The Tennessee delegation was handing our small bottles of Jack Daniels, needless to say they were completely overwhelmed; next year the Convention will be in Nashville.)

The Convention formally began on Tuesday, August 1st with an Opening Mass, which was very

elaborate in its pageantry.

Every morning began with a Mass; the processions into the Hall were very regal, led by the Color Corps, followed by the Clergy. At each Mass, the Principal Celebrant and Homilist was either a Bishop or a Cardinal. There were hundreds of Priests present, including our State Chaplain, Fr. John Grace, OSA.

Following the Mass, the morning proceeded with a formal business meeting, led by Supreme Knight Carl Anderson. The Supreme Knight related how well the Knights had done in the year just ended and how financially secure we are: A++ / Extremely Strong ratings from A.M. Best and Standard & Poor's, respectively. The biggest surprise for our Calif. delegation was the selection, nomination and election of Emilio Moure, our current State Deputy to the Supreme Board of Directors. **IT DOES MATTER HOW CALIF. PERFORMS.** The existing Supreme Board had carefully examined how Calif. had done in the past ten years. This is excellent for our state to have such representation at this level.

On Tuesday evening was the formal States Dinner. Calif. had excellent seating. The Dais was three tiers deep with dignitaries...Cardinals, Archbishops, Bishops, Supreme Officers, Board Members and wives. The primary speaker was Cardinal Sean O'Malley, OFM Cap., Archbishop of Boston. He spoke eloquently of building a 'Culture of Love' throughout our World. There were approx. 2,300 attending the banquet and when he spoke, the entire room was silent!

Wednesday evening our entire Calif. delegation went out to celebrate at a local eatery which provided a small floor show. The show was much fun...the weather was not so nice. Even in the evening, the heat and humidity did not go away; it was 95 degrees with humidity to match.

Thursday was a wind-up day and saying "good-bye" to Florida. Had to get ready to fly home Friday morning at 5:30 AM.

After this Event, I cannot describe the pride I have in being a KNIGHT; after this experience, I am re-energized to accomplish our Mission.

I would encourage our brothers who have not gotten involved at this level to do so...we are in need of good men of character with leadership skills at the Council, Chapter and State Levels. Please give it some thought, if interested...you need only ASK.

Leonard 'Len' Cruess Accomplishes Many Milestones In His Illustrious, Memorable 102-Years with Family, Friends, And an Incredible 82-Years as Member of the Knights of Columbus

By Joe T. Kovach, 3rd Degree Knight with assistance from Bernie Jochum, PGK

"God is my secret. He's been good to me all my life and I'm very fortunate. I've had a wonderful life," expressed Leonard Lewis Cruess, a member of the Knights of Columbus for an incredible 82 years, who turned 102 on July 28th.

"My wife Cecilia and I had a wonderful life and enjoyed 71 years of marriage," beamed the famed "Senior" whose golfing legends are well-known at Encina Royale in Goleta and the community. Cecilia Mulville, a childhood sweetheart he married at Immaculate Conception Church in Waterbury, Connecticut on January 25, 1928, died in 1998 at age 92.

Daughter Julie Mooy, one of seven children born to Cecilia and Len, proudly exclaimed, "His belief and faith in God and the Roman Catholic Church play a major factor in his success in living such a long life." "I thought I'd be lucky to hit 75 and now my daughter Julie has reached that mark," stated the native of Waterbury, who moved to Santa Barbara in 1953 with his wife and five children.

Len joined the Knights of Columbus Council #24 in Waterbury at age 19 in 1924. In 1945, he became a 4th Degree Knight in Hartford, Conn., where he

was active in the Color Corps and a cook. After his move to Santa Barbara he transferred to Council 1684 in 1954 where he also cooked for their special events.

An amazing person who recalls events, people and details in a quick glance, Len didn't blink an eye, refer to any notes or get help from his daughter Julie in providing this writer with interesting, prominent and pertinent information on his life, wife, family and friends over his inspiring 102 years.

Len was the youngest of four brothers and three sisters born to Mary Farrell and Frank Cruess in Waterbury, Conn. His great grandparents came from Ireland in 1847. A Cruess Hotel in Limerick was a landmark. His three brothers, Raymond, Leo and Francis were all members of the Knights of Columbus. Sisters were Florence, Mary and Dorothy. As a young boy, Len was an altar boy for years at Sacred Heart Church, which was next door to the family home.

After graduating from Sacred Heart Grade School, Len was not immediately able to attend high school since he was hired to help at Frank Cruess and Sons, Inc. (the family owned grocery store that at one time comprised 13 locations). His brothers could not help with the family owned business since they were serving with the U.S. Military in World War I. Len finally received his high school diploma from the Adult Education Program in Santa Barbara in 1955.

Len and Cecilia were proud of their seven children, all born in Connecticut. They include Julie Mooy in Goleta, James in New York, Mary Ann Wolbert in Arizona, Celendra Grant in Buellton, Frances Amish in Medford, Oregon. Son John Leonard died at age three and twin daughter Patricia died at birth. Today he is proud to have 19 grandchildren, 42 great-grandchildren and one great-great granddaughter.

While residing in Santa Barbara, the family attended Santa Barbara Old Mission and San Roque Church. He served as an Usher for years and was one of the first laypersons in the community to distribute Holy Communion at Masses at the Poor Clare Monastery. He and his family loved the spiritual guidance of Franciscans, Father Basil Kelly and

Father Virgil Cordano at the Mission and Msgr. John Rhode and Father Vincent McCabe at San Roque.

Len worked for Jordano's from 1953 to 1969 as a meat cutter before retiring. He and his wife moved to New Horizons, now known as Encina Royale, in 1967 where he began to enjoy playing golf, the sport he loves the most, on a daily basis. During his 37 years playing on the par 3 course, Len has made an amazing 163 holes-in-one, the most recent being in March of this year. The holes are between 40 and 60 yards on the Encina Royale course. He still owns the net scoring record of 36 at the par-54 course, a mark he set in 2000. At a Knights of Columbus tourney in June 1972, he took first place with a score of 70 1/2.

One of his many favorite memorable events took place in 1969 when he and his wife drove 15,000 miles on a three month vacation. They started by heading south to San Diego, through the southern states to Florida, up the east coast to New York and Connecticut, into Canada and across entire Canada to Vancouver B.C., to Seattle where they flew to Fairbanks, Alaska. Returning to Seattle they drove down the entire coastlines of Washington, Oregon and California. Other travels took them to every state except South Dakota, to Ireland a few times, Mexico, Hawaii, South America and the Caribbean Islands.

"Back in 1969, I asked the Good Lord to give me two more years and now he's given me more than 37. I wanted two more years to get to retirement. I wanted to see what it was like to collect Social Security. And I'm still collecting," chuckled Len.

A serious fall on May 31st resulted in a broken left hip and a six week recovery period at Mission Terrace prior to moving in with his daughter Julie and son-in-law Len Mooy in Goleta. They are so grateful to Felix and Julie Sanchez for their daily visits to the convalescent facility in order to help feed him and see that he was well taken care of there. "We are forever thankful to Julie for her special care as she took a bus each day to get there," according to Mrs. Mooy.

Last month Council 5300 presented Len with a beautiful 142 page book, "By Their Works" signed

by the Supreme Knight, Carl Anderson. Len claims he seldom reads books but is nearly finished with the large size format, 14"x16" memorable book which profiles Knights of Columbus men who have made a difference. Two years ago the Knights of Columbus Council 5300 presented Cruess with an attractive plaque with an inscription reading, "In recognition of 80 years of loyal, dedicated and outstanding service to this Council and other Councils to which he belonged, an accomplishment rarely duplicated by any other Knight."

In appreciation for all that the Knights have done worldwide, Cruess donated his special four-foot gilded-gold statue of Father Michael J. McGivney, founder of the Knights, to Council 5300. Cruess proudly remarked, "The best thing about being a member of the Knights is what Councils and the members are doing positively all over the world." Asked to describe the KC's in one word, Len quickly asserted, "Brotherhood!"

A few of his recommendations for "seniors" in their twilight years are "exercise daily, get up in the morning, be a positive thinker and do it and keep your bowels open and your mouth shut." For his age Len shows more life than many retirees, he looks great and smiles often. He beamed, "It's amazing, isn't it?"

His daughter Julie disclosed his very healthy breakfast diet currently includes: 1/2 grapefruit, cheerios cereal with 1/2 a banana, two slices of toast and black coffee. He eats his combination lunch/dinner around 1 each day which consists of chicken noodle soup, a 7-raw vegetable salad (diced lettuce, celery, cauliflower, radishes, onions, green peppers and carrots), meat and potatoes with gravy, hot vegetables (corn, peas and asparagus), a fruit salad, piece of cake or a cookie and before bedtime he has ice cream or hot chocolate. Each Friday, he loves his clam chowder. His favorite food is Alaskan King Crab. He smiles again and tells us that at 4 p.m., his only vice is a good daily cocktail of Canadian Seagrams with ice in a 5-oz glass which he savors for an hour and a half to drink. The remarkable, cheerful gentleman enjoys reading newspapers such as The Tidings, Columbian, Westways and National Geographic magazines.

Len's first car was a 1925 Ford Coupe he purchased for \$520. His other cars have included a Dodge, Chevrolet, two Huppmobiles and most recently, a 1986 LeBaron Chrysler which he donated to St. Raphael's Church to be used by Father Cyril Nnadi. His license card is valid until 2008 but after the recent injury has decided his driving days are over.

Concluding remarks were:

- * Greatest personal moment as a husband? Saying "I Do" to my childhood sweetheart Cecilia Mulville.
- * Growing up, I always thought I'd be? A lawyer.
- * If I had 3 more wishes in my lifetime: play more golf, break a few more records and die a happy death.

(Grand Knight's Rpt-Continued from page 1)

snafus that crop up in a big event such as the Coke Booth. Brother Dan was also ably assisted by many Brother Knights. As a result of everyone's hard work, the council grossed \$10,800 (about the same amount as last year). According to our District Deputy, PGK Cherif Khoury, most of the booths experienced significant revenue decreases this year, so equaling last year was a great achievement. Thank you to all who participated!

On August 13th, our first blood drive of the new Columbian Year took place in conjunction with the pancake breakfast. PGK Chris Arnoult did a nice job coordinating the event. Brother Chris was assisted by Brothers Hal Thompson, Ed Barrier, Brad Bowen, PGK Rich Scholl and myself. 36 parishioners donated their blood. Also, I'd like to thank Brothers Jim Bradbury, Jose Meza, John Kestel, Paul Curzan (and his wife, Evelina) and everyone else who faithfully help with the pancake breakfasts every month all year long.

On August 14th, at the business meeting, we honored Brother Len Cruess for turning 102 on July 28th (Len has also been a Knight for 82 years). Our insurance agent, Brother David Farebrother was on hand to present Len with a copy of the book "By Their Works" personally signed by our Supreme Knight, Carl Anderson. Len was very appreciative of the honor. Included elsewhere in this newsletter

is a picture of David presenting Len with the book (the picture was taken by Brother Jack Turney) and an article about Len by Brothers Joe Kovach & Bernie Jochum. Congratulations, Len!

On August 23rd, several meetings took place to discuss Brother Chris Arnoult's building fund resolution and the responsibilities of the new directors. See our Deputy Grand Knight, Francisco Cabrera's report for more details. The revised budget that Francisco mentions will be regrouped along functional lines (church, community, council activities, etc.) in order to more clearly reflect the income and expenses of each function. Let us officers know your thoughts. If anyone wants a copy, let me know, and as soon as it is ready, I'll send it to you.

On August 26th, several of us Brother Knights from Council 5300 had the pleasure and honor to attend the Los Padres Chapter installation in Ventura. Event though the event was lightly attended, it was well worth it to be part of it. The installation was led by our State Deputy, Emilio Moure. Our very own PGK Brian Klinge who was the Chapter President last year was installed as the Chapter Secretary for this Columbian Year. PGK John Bravo was installed as the new Chapter President. Congratulations to all the new Chapter Officers.

We have several events coming up in September. Be sure to read DGK Francisco Cabrera's report for all the details. We also have several degree ceremonies coming up in the near future. On September 11th at the business meeting, we will have a 1st degree. We have three candidates already signed up to take their 1st degree that night. Please come and support them. Also, on Sunday, October 29th, there will be a 3rd degree in Santa Maria. For those who have their 2nd degree, please seriously consider taking your third degree at this time. As I stated earlier in the year before the 3rd degree held in Camarillo, these degree ceremonies don't happen very often, so take advantage of them when they do occur.

Unfortunately, we have had to cancel the Oktoberfest dinner since no one volunteered to be the coordinator for the event. We will try to make up for the cancellation by having a dinner in May. The theme and date for the May dinner are still being decided.

KNIGHT OF THE MONTH

Brad Bowen

By Stephen Schlesselmann, Grand Knight

This month, I would like to name Brad Bowen as the Knight of the Month. Brad who is married (his wife's name is Tracy) is a self-employed CPA/Realtor who joined our council in February, 2004 (Brad was sponsored by PGK Chris Arnoult). Brad took his 2nd degree on July 12, 2004 and plans to take his 3rd degree on October 29th in Santa Maria.

Brad has been very active since joining our Council. First of all, Brad has attended most of the business meetings since he joined and has helped out with a number of the dinners and functions including the Fish Fries, the Blood Drive, the Pancake Breakfasts and the Knights' Picnics. Also, Brad has recently volunteered to be the Council's Family Director.

Thank you, Brad, for all you do for our Council!

(Program Director's Rpt-Continued from page 2)

Past Activities

1) August 23, 2006 - The new Directors: PGK Richard Scholl, Community Director, PGK Chris Arnoult, Church Director, Sam Alfano, Membership Director, Brad Bowen, Family Director, John Luzader, Council Director and Dwight Morey, Youth Director met with Grand Knight, Stephen Schlesselmann, Brother Bill McNamara and Deputy Grand Knight Francisco Cabrera. The objective of the meeting was to plan the Columbian year program. The target is for each director to plan at least four events and possibly perform at least three. The Directors will present a plan of activities and then plan a budget and present it to the council. We need to give each director our full support and help by volunteering to take part in each event. Re-

member, we want full participation in order to lighten the work load for any director or a chair person planning the event.

- 2) August 23, 2006 – PGK Chris Arnoult met with Grand Knight Stephen Schlesselmann, PGK Bill McNamara and Deputy Grand Knight Francisco Cabrera and all the directors to further discuss the building fund resolution that was tabled while Chris was still the Grand Knight. It was decided that a “regrouped” budget should be drawn up and the item “Various charities to be named” should be divided equally among the directors as seed money for their upcoming programs.
- 3) August 27, 2006 - Grand Knight Stephen Schlesselmann and Deputy Grand Knight Francisco Cabrera assisted with the sales of the Unity Raffle tickets after the 7:30 AM Mass. We sold a total of 8 tickets (\$800) (*editor's note: Francisco sold 7 of them*). We will be continuing to help after all 7:30 AM Masses until September 24th. Please call Brother Tony Vallejo at 450-6359 and sign up if you can help. Brother Tony and his wife, Sandra, are doing a great job chairing the raffle tickets sales, so let's show our support by helping them.

Upcoming Activities

- 1) **September 1, 2006** - 24 Hour Adoration will take place in the church. We all have many reasons to give thanks to **God** for all the blessing received. If you are not already signed up for adoration, stop in at your convenience and sign in.
- 2) **September 4, 2006** - **Labor Day picnic (see GK's info).**
- 3) September 5, 2006 - K of C Officer's Meeting, 8:00 PM. Please add all meeting notices to your work and/or home calendar. This will help remind you of the meeting.
- 4) September 9, 2006 - The Oktoberfest Dinner has been **CANCELLED**.
- 5) September 10, 2006 - Pancake Breakfast after 7:30 and 9:30 AM Masses. This is a good way to start your Sunday. You won't have to cook Breakfast, you can replenish your energy to begin your Sunday activities and at the same time

you contribute to the Knights of Columbus. It is a win-win for all.

- 6) September 11, 2006- K of C 5300 Business meeting, 7:30 PM. Please make it a point to attend the business meetings. Not only will you find out what is going on with the events and activities, but it also gives you the opportunity to be an active participant. For those new members, it is a good source of information on how the meetings are run and learn more about our Council. Remember you can make a difference in meeting the objectives of the K of C Order.
- 7) September 24, 2006 - Parish Picnic- Tri-Tip/Beer/Nachos. For all of you who purchased raffle tickets be ready to hear the news about the prizes. There are a total of 21 prizes plus the grand prize of \$10,000 dollars. The chances of winning are good. Thank you for supporting our parish/school related fundraiser events. Please see Brothers Felix Sanchez, Jack Turney or Vince Filippello to sign up to help on the picnic. We need volunteers especially for the clean up and storing of the equipment after the event. Remember, if everyone helps, the work load will be lighter especially for those that are chairing the event. Let's roll up our sleeves, enjoy good food and help with the clean up.

Resolutions

8/3/2006

Resolution on honoring the gift of life adopted by the 124th Supreme Council Meeting of the Knights of Columbus on Aug. 3, 2006.

WHEREAS, for years, the delegates who have attended the Order's annual meetings have enthusiastically and unanimously voted to approve resolutions that reaffirm the Order's longstanding pledge to remain unconditionally pro-life and its commitment to follow faithfully the teachings of the Catholic Church; and

WHEREAS, by sponsoring and participating in a wide variety of programs that promote pro-life initiatives, the members of the Knights of Columbus and their families have demonstrated a desire to fulfill the late Pope John Paul II's vision, one supported by Pope Benedict XVI, for a culture of life; and

WHEREAS, the Catholic Church encourages each of us to respect the dignity of the human person by speaking out against such practices as abortion, the use of abortifacient drugs, the use of embryonic stem cells or tissue from aborted children, the practice of "organ farming" or "tissue engineering" and human cloning; and

WHEREAS, the Knights of Columbus has, on a number of occasions, publicly declared that it will never accept as settled law the Supreme Court's central holding in Roe v. Wade;

NOW THEREFORE BE IT RESOLVED, that we will continue to encourage our elected officials to pass legislation which prohibits the use of public funds to finance any program, procedure or facility that degrades the dignity of the unborn or which attempts to obstruct, in any way, the building of a culture of life; and

FURTHER RESOLVED, that we reaffirm our pledge to faithfully defend and follow the teachings of the Catholic Church; and

FURTHER RESOLVED, that we express our sincere gratitude to all councils and assemblies that have worked tirelessly during this past fraternal year to promote awareness of the sanctity of human life at all stages of development; and

FURTHER RESOLVED, that we demonstrate our compassion for distressed pregnant women by supporting programs that offer alternatives to abortion and asking the Blessed Virgin Mary, the Mother of the Church, to guide expectant mothers to choose life; and

FURTHER RESOLVED, that by continuing to remain in solidarity with our bishops and priests, supporting the efforts of organizations that are committed to pro-life initiatives and praying the rosary regularly, we will live up to our reputation as

the “defenders of life” and the “strong right arm of the Catholic Church”; and

FURTHER RESOLVED, that we call for the adoption of laws that recognize and protect in law the right of conscience for doctors, nurses, pharmacists and other medical personnel, providing that they may not be forced to provide medical services which violate their religious beliefs and we insist on similar protection for Catholic hospitals; and

FURTHER RESOLVED, that we will continue to speak out to our elected representatives about our continued opposition to the death penalty; and

FURTHER RESOLVED, that we strongly support state parental consent or parental notification laws and initiatives, *such as California’s Proposition 85*, and we support legislation that would give force to these state laws by making it a federal crime to transport a minor child across state lines to obtain an abortion; and

FURTHER RESOLVED, that we reaffirm the many resolutions of past Supreme Council meetings which passionately resolved to build a culture of life by protecting the unborn, the sick, people with handicaps, the elderly and the terminally ill, by opposing the marketing of abortifacient drugs, the use of tissue from aborted babies in the manufacture of drugs, or embryonic stem cell research, or human cloning and, among other things, by prohibiting individuals including public officials or candidates for public office who do not subscribe to the teachings of the Church from renting or otherwise using facilities over which we have control or speaking at Knights of Columbus events or bestowing on them honors or privileges of our Order of any kind, or inviting them to serve as honorary chairpersons of events, celebrations, or committees, or hold any office in the Knights of Columbus; and

FURTHER RESOLVED, that we commit ourselves to continue to pray, fast, and do penance in reparation for these grave evils and to seek the intercession of the Blessed Virgin Mary for an end to them and for the establishment of a culture of life.

CATHOLICS FOR THE COMMON GOOD

A NEW CATHOLIC ACTION

Join Catholics for 85 - Volunteer to help restore parents’ rights in California

It is not often that we get a chance to make a positive change in the law, but we will have that chance over the next three months by supporting the passage of Proposition 85, the parental notification initiative.

Please join **Catholics for 85**, an effort organized by Catholics for the Common Good, endorsed by the California Catholic Conference and supported by the Knights of Columbus. Catholics for 85 unites Catholics in support of this common sense measure—a constitutional amendment which will curb the abuse of parental rights that currently exist in California law and public school policy. Proposition 85 will mandate that parents be notified 48 hours before their minor daughter procures an abortion.

Research shows that parental notification laws in other states reduce the number of abortions among teenagers and reduces sexual activity among them as well. It is also critical to pass Prop 85 to protect the health and welfare of girls and to assure that parents can exercise their responsibility for the physical and spiritual health of their children.

ACTION:

1. Ask organizations in your parish to endorse Proposition 85. Go to www.Catholicsfor85.org for details and a flyer.
2. Volunteer to support the passage of Prop 85 in your parish and community at www.Catholicsfor85.org.

For the Common Good,
Bill May
Catholics for the Common Good
415 651-4171

**Knights of Columbus
Goleta Valley Council 5300**

Reference: Assistance for Computer Purchase for Fr. Cyril Nnadi

Whereas Rev. Fr. Cyril Nnadi has requested financial assistance from Council 5300 for the purpose of purchasing a computer for his personal use and whereas Fr. Cyril has the need of such a computer for his duties related to St. Raphael Parish as the assistant pastor and Fr. Cyril would use such a computer in furthering his education and improving his pastoral capabilities, and whereas Fr. Cyril is the current assistant pastor at St. Raphael Church and is the Chaplain for Council 5300, be it resolved that Knights of Columbus Council 5300 provide to Fr. Cyril Nnadi financial assistance not to exceed the sum of \$750.00 to use to procure a suitable computer for his use.

Respectfully Submitted:

Stephen Schlesselmann – Grand Knight
Ralph Wengler – Financial Secretary

Thanks to everyone's hard work during the immediate past Columbian Year, our PGK Chris Arnoult received the following letter from our Supreme Knight (Carl Anderson):

Worthy Grand Knight (Chris Arnoult):

On behalf of my fellow Supreme Officers and Supreme Directors, I am pleased to congratulate you and all the members of 5300 for being designated a **Star Council** for the 2005-2006 fraternal year.

Now more than ever, our society needs selfless individuals dedicated to making a difference and our Church needs the witness of Catholic men and families standing in solidarity with our priests and support of Church teaching.

During the past fraternal year, 5300 has truly distinguished itself in its "Surge with Service" programming activities, membership growth, retention and insurance promotion. For these achievements, you

should be justly proud and find satisfaction in knowing that your council is effectively serving the Church and its community in fidelity to the founding vision of the Servant of God, Father Michael J. McGivney.

As I congratulate you and your brother Knights, I also want to encourage you to maintain the excellence which we recognize this year, and in so doing merit the prestigious Star Council Award once again in the coming year.

With gratitude for your good work and best wishes, I am

Fraternally

Carl A. Anderson
Supreme Knight

The July 24, 2006 issue of the Knightline states: "The Star Council Award is one of the most prestigious honors that an individual council can achieve. Receiving such a distinction means that the council has met or exceeded both its membership and insurance goals, and has completed charitable and fraternal programs in the five "Surge with Service" areas: Church, Community, Council, Family and Youth." (Knightline, July 24, 2006 Vol 23, #10).

The following 2 emails came from our former seminarian, Fr. Richard Kayizzi:

I want to thank you all for your prayers and help. Just know that today I am two days a priest. May we continue to pray for one another always. God bless you all. Let us pray for one another. I am waiting for my assignment in a few weeks.

Fr. Richard

I just wanted you to know that my pastor and I, we have a very big responsibility that awaits us.

We have been assigned in this new parish that needs a church and all the needs of a church. That is pews, altar, tabernacle and status. The rectory has been built but not the church. Hence we have to work hard day and night. Please keep us in your prayers. There are not enough vestments. But we have to do the work of God here and preach the gospel. Pray for us as we pray for you also.

Fr. Richard

KAMPALA-UGANDA EAST AFRICA

The following email came from Fr. Paul Rospond:

I'm still getting settled in Knoxville. Classes at U.T. start today, Aug. 23 and our first Catholic Students Assn. meeting is this evening. We're also gearing up for a Search Retreat at the end of Sept.

Students moved into the dorms last weekend. After the evening Mass on Sunday, the local Knights of Columbus hosted a welcome cook-out. The smoke attracted a number of passers-by as well as the crowd from Mass, so it was a good opportunity for our students to greet old friends and welcome some new ones. The burgers and fellowship were great.

Of course, I'm new to everybody. I've taken to sitting out front with my coke and sandwich at lunch-time. It's a good way to get to know folks. In return, I've found a warm welcome here.

My greetings to brother Knights back in Goleta.
the Lord's Peace! Fr. Paul Rospond, C.S.P.

On Wednesday, September 6th, the next Los Padres Chapter meeting will take place at Serra Hall at 7:00 PM. A representative from the state (possibly our State Deputy, Emilio Moure) will be at the Mission to inform all members about the latest Bishop's resolution and what is expected from the KofC councils. Also, Brother Frank Nigro (a Past State Deputy and Columbian Foundation President) will be in attendance. PSD Frank Nigro will talk about the MR drive and the Special Olympics. It will be a very important meeting to attend; so please make your plans now to be there.

We have been asked by Supreme, to say the following prayer on September 11th (the 5th anniversary of the World Trade Center terrorist attack) commemorating those killed in the tragedy and asking for peace throughout the world. We will be saying this prayer aloud at the business meeting and if you

can't make the meeting, please try to say it sometime during the day:

With you, O Mother of the Redeemer, may the hymn of the humble and the poor rise to almighty God: may he, the merciful one, bring peace to earth, reconcile brothers at enmity, confound Cain, make Abel rise again; may he bring all of creation to the design he had at the beginning in the love of the Son, in the grace of the Holy Spirit. Amen. (*Pope John Paul II*)
