GRAND KNIGHT’S REPORT

By Stephen Schlesselmann, Grand Knight

A Spiritual Thought

Dear fellow Brother Knights of Columbus.

On January 1st, we will be celebrating the Feast Day of The Blessed Virgin Mary, Mother of God. As **St. Josemaria de Balaguer** states: “*Sancta Maria, Stella Maris* — Holy Mary, Star of the Sea, be our guide. Make this firm request, because there is no storm which can shipwreck the most Sweet Heart of Mary. When you see the storm coming, if you seek safety in that firm Refuge which is Mary, there will be no danger of your wavering or going down.” (page 843 of the **Way/Furrow/the Forge** by **St. Josemaria de Balaguer**).

Before proceeding with my report, I wanted to pass on my condolences to Chawa Ramirez and her family on the loss of her husband, PGK and PFN Nacho Ramirez. As many of you know, Brother Nacho passed away after a short illness in early December.

Blessing for the New Year

God our Father, may we always profit by the prayers of the Virgin Mother Mary, for you bring us life and salvation through Jesus Christ her Son who lives and reigns with you and the Holy Spirit, one God, for ever and ever.

Our lives are made of days and nights, of seasons and years, for we are part of a universe of suns and moons and planets. We mark ends and we make beginnings and, in all, we praise God for the grace and mercy that fill our days. Let us praise the Lord of days and seasons and years, saying: Glory to God in the highest! And peace to his people on earth!

District Deputy's Report
Cherif Khoury, District Deputy #61

Brother Knights,

Happy and prosperous new year to all of you and your families. May the peace of our Lord and savior Jesus Christ shine upon all your charitable actions.

The Blessed Virgin Mary, who appeared at Tepeyac 475 years ago, was proclaimed "Empress of All the Americas" by Pope Pius XII. This coming year 2007 will be titled "Our Lady of Unity" in her honor as we seek her intercession for the growth of our order.

Our order is celebrating its 125th anniversary on March 29, Founder's Day. Supreme asked all Councils to hold a clergy appreciation dinner in honor of Father McGivney. As we are having our clergy dinner January 30 at Bishop Diego High School, I urge all brothers to invite friends and neighbors to see what a great Catholic fraternal organization we are.

Let us make the clergy dinner a celebration we will all be proud of. Let us invite elected officials, local radio and TV stations and all parishes in our district to show them that the Knights are standing in solidarity, shoulder to shoulder with our beloved bishop and priests.

You can always redeem a man who aspires to greatness and yet fails, but you can not revive the man who never strived at all!

Let's continue strengthening our Council by asking a man to be stronger in his Faith, involved in his Church and active in our order. Invite the Catholic men to be one with us. Our Faith will grow, our Church will grow and our council must grow.

Father Minnihan, the Director of Faith Formation for the California State office, drafted a copy of the California State Council Catechism for review. The intent is to incorporate the Catechism into the councils programs. If a council has a Deacon or a mem-

ber that is well versed on the Catholic teachings, the Grand Knight can appoint him as the Spiritual Director. He arranges programs and instructs the brother Knights on our Catholic faith. As Brother Knights we have to sell our faith and evangelize the Catholic lifestyle.

Knights need to be more active in "Recruiting" which is a vital component of our order. It is important that we focus on the young adults and try to encourage them to get involved with the Knights. It will be the young adult's energy that will help the council succeed and attract more members. It goes without saying that the councils that have more programs will attract more members. Everybody wants to be part of a successful organization.

Be more supportive toward our Field Agent who is our brother Knight. We need to assist him at offering low cost insurance to the Knights families and annuities for retirement. There are a number of new benefits offered such as long term care; study them and work with our field agent to promote them.

May our Lady of Unity protect us and give peace to our world this coming year.

Vivat Jesus.

Financial Secretary's Report
Ralph Wengler, Financial Secretary

The past six weeks or thereabouts have been a nightmare. Windows XP crashed in the computer and was not repairable. To add to the problem, nothing was retrievable. To compound the problem, I couldn't get the KC software to reinstall, after the Windows XP was reinstalled. The Supreme Office had technicians who were overworked but courteous. They eventually informed me that the CD for installation contained Version 3.0 but in order to make it work, Version 3.01 was required. They had a website to get the extra bits which should have been incorporated on the CD five or six years ago. The Restore function from a backup disk had its own tricks, but it eventually worked. I then

had to invent all the data that was not on record since the last backup was made.

I am catching up on what should have been happening. I was only a day late in posting the annual billing. The returns are about as expected. As of Christmas Day, 45 members have paid. Add-in the Honorary Life Members, and about 110 members will have membership cards by the first of the year. That has me waiting for approximately 85 members to still pay their dues. The Second Notice for dues will be sent on January 16. After that, on February 16, the Knight Alert letter is sent and the Council should start to get into action. On March 16, the notice of Intent to Suspend is mailed to the member and to the State Deputy and the Supreme Office. After 60 days, the Council is permitted to fill out a Form 100 which is the closeout of the delinquent membership.

Pay your dues, if you haven't already. This is an excellent Council and it would not be excellent without you. Please have a happy and prosperous New Year.

Fraternally,
Ralph

Report of the 4th Degree
Bill McLafferty, Faithful Navigator

We are starting a new year with many opportunities and challenges in the 4th degree. The recent deaths of Sir Knights Nacho Ramirez and Bill Schaefer have left an additional void in the ranks that must be filled by new members. We must reaffirm our commitment to encourage fellow Knights to join the 4th degree this year. We have a need for leadership material to fulfill the promise of tomorrow and we can all help in this regard. It can be discouraging when your approach is rejected, but we must continue with the effort. In recent recruitment efforts, it was noted that a number of prospective candidates cite their desire to join when they are no longer bur-

dened by present responsibilities. Take note of their concerns and make sure to approach them again in the future when they say they will be available. There are many well-qualified candidates out there who are simply waiting for their children to get older and there are fewer demands on their time by the family. Hear them out and let them know you will approach them on a future date when those demands are no longer there or are less demanding. Insisting on a commitment at this time may only alienate them from future consideration of membership. Set a good example to remind them of the quality of the organization and to keep them interested in joining us.

Many thanks to the Sir Knights who volunteered their services to usher at the 10:00 PM Christmas Eve Mass. Joining the Faithful Navigator in those duties were Worthy Grand Knight and Sir Knight Steve Schlesselmann, Sir Knights and former Faithful Navigators Brian Klinge, Michael Donovan and Ralph Wengler.

The Color Corps were called for the funeral Mass of Sir Knight Bill Schaefer at San Roque. The family elected to receive a chalice which was presented at the Mass.

On January 22, 2007, we have our second Ladies Night Out at The Frog Grill at the Glen Annie Golf Course. All 4th degree Knights and their Ladies are invited to attend at \$35.00 a person, which includes tax and tip. Our guest speaker will be Senior Judge Ruggero Aldisert of the Third Circuit Court of Appeals. Judge Aldisert has his chambers located here in Goleta where he maintains a full work week. He led a delegation of senior judges of the Third Circuit to speak in favor of the nomination of Judge Samuel Alito to the Supreme Court. Recently, Mr. Justice Alito and his wife visited California and stopped by to see Judge Aldisert and his wife, Agatha, at their home in Santa Barbara. Judge Aldisert took the justice and his wife to a local restaurant and then acted as tour guide, showing them the downtown Courthouse and other sites in Santa Barbara. He will be speaking to us on the subject of Patriotism and he will be available for questions after the talk. Remember to get your check to the Faithful Navigator by January 15, 2007 with your

selections for the entrée (fish, chicken or beef).

Insurance Agent's Report
David Farebrother, Field Agent

Tempus Fugit

Time flies. The older we get, the more that statement seems to ring true. Especially as we prepare to ring in another new year. I hope that 2006 was a healthy, prosperous year for you and your family.

If you're like most people, you've made some resolutions for the new year. If I may, I'd like to add to your list of resolutions by two. First, write them down. A resolution is really a goal for the year and, until you commit a goal to writing, it's nothing more than a wish. So write your resolutions down. Whether they be to lose weight, contribute more time and money to charity, read more or watch less television, you're more likely to stick to them if you write them down.

Second, schedule some time to visit with me, your professional Knights of Columbus insurance agent. The "insurance check-up" that I'll provide (free of charge, by the way!) will quickly identify any gaps in your family's life insurance program. And you'll want to fill those gaps now, not later. Because unlike many other products, you need more than money to obtain life insurance. You also need good health, and no one will ring a bell warning you when your health is about to change.

Knights of Columbus life insurance offers something precious few other financial products can – guarantees. As long as you pay your premiums, the policy proceeds will be there for your beneficiaries should something happen to you. We call that peace of mind, and that's – as they say in the credit card commercial – priceless.

To contact me with regards to this or any of your insurance needs, please email me at dlfarebrother@aol.com or call me at either of the

numbers listed below. I look forward to hearing from you.

Community Director's Report

Community Director*

**THE WORST OF THE WORST
ON TELEVISION**

In the recent issue of the PTC Insider, the Parents Television Council selected the following television shows as the worst of the obscene and indecent for recent episodes:

- Nip/Tuck, Fox, Mon. 10 PM
- South Park, Comedy Central, Wed. 10 PM
- Drawn Together, Comedy Central, Thu. 9 PM
- Criminal Minds, CBS, Wed. 9 PM

You may discover the content of these shows at www.parentstv.org if you wish, so I will not describe them here. Rest assured, you will find that television has sunk to lows you would not imagine. According to the independent research by Nielsen Media Research, a substantial number of children age 2-17 are watching these shows (in the hundreds of thousands). Please write to sponsors, the networks, the FCC and to your US Senators and representative of your concern for this type of programming. You can easily do all of this on the PTC website. Especially, contact the FCC and congress about Cable Choice. If we do not subsidize this filth with our cable dollars, it may become less available. I urge you as Knights to make this a priority today and to bookmark the site and subscribe to its regular updates. John Paul II has said that Catholics must use the new methods of communication to uphold a decent and moral society. As protectors of the innocent, and especially youth,

Knights are sworn to this duty.

OBITUARIES

On December 4, 2006, Brother Nacho Ramirez died. Below is a picture of Nacho, several pictures at his funeral and the obituary that was printed in the **Santa Barbara News Press**:

Ygnacio Ramirez, Jr., (Nacho, "Ram") returned home to his Savior Jesus Christ after a short illness Monday, December 4, 2006. Nacho was a beloved husband, father, grandfather, great-grandfather, godfather, and friend to many. He was born November 15, 1937 in Wilmington, to Ygnacio Ramirez and Amelia Parga from Mexico. He was the 6th child born to

the Ramirez family after his brothers Alfredo (deceased), Ramon (deceased) and sisters Elvira (San Pedro, CA), Rachel (Garden Grove, CA), Dolores (Oxnard, CA) and Marie (Whittier, CA). After graduating from Banning High School in Wilmington, CA, Nacho enlisted in the Army and proudly served his country overseas in Korea. Later in life, although a resident of Santa Barbara, he joined the Veteran's of Foreign Wars (VFW) in his hometown of Wilmington. After being honorably discharged from the service, he moved to be with his mother in Santa Barbara and met Ysaura (Chawa) Espinoza. Chawa had eight children, and when they were married August 31, 1961, Ygnacio called them his own. They resided in Santa Barbara and had two other children. The children are Ignacio of Jackson, Tennessee, Robert (Chris) from Colorado Springs, CO, John (Pina) of Zug, Switzerland, Steve from Santa Barbara, CA, Frank (Carol) of Riverside, CA, Gilbert (Linda) from Moreno Valley, CA, Victor (Debbie) from Atascadero, CA, Renee from Riverside, CA, Yvonne (Selwyn) from Los Angeles, CA and Fred (Michele) from Chino Hills CA.

Nacho worked several jobs while being on the honor roll at Santa Barbara City College where he earned an AA in supervision of management. He earned this degree to serve as a supervisor for the

postal service in Goleta and Santa Barbara, then Postmaster of Tehachapi.

During their time together as husband and wife for 45 years, Nacho and Chawa were inseparable. You would see them together at many of Nacho's club functions that he belonged to throughout Santa Barbara and Wilmington such as the Knights of Columbus, the Elks, the Native Son's, and the VFW. Nacho was very active in many local and regional volunteer efforts for St. Raphael's, his long time parish and numerous other agencies. Nacho also was a proud member of the Bishop Diego Dad's Club when his children Yvonne (Class of 1980) and Fred (Class of 1983) attended Bishop.

Nacho will be remembered as a good husband, father, grandfather, godfather, and friend. His infectious smile, warmth and care for others will be missed by all.

**Knights of Columbus Council 5300 Trustees'
Christmas Party**

Our Council held its first in several years Trustees' Christmas Party on Saturday evening, December 2, 2006. The event, at the gaily decorated St. Raphael's Church Hall, was attended by over 75 Knights and their wives. The dress had been advertised to be "Christmas casual", which meant that you could come straight from a day of Christmas shopping.

However most attendees got into the spirit of Christmas and came dressed for the Christmas season party in colorful Christmas clothes. Food for the event was appetizers and desserts supplied by the party participants themselves. Each guest was asked to bring either an appetizer for 10 or cookies for 10. This guaranteed a wonderful variety of foods to be sampled and for some of us multiple trips to the buffet table to refill our plates. The Council provided sushi, a shrimp platter, a vegetable platter, and made from scratch Tom & Jerry drinks by Maria Cabrera. There also was an open bar with Felix Sanchez doing the honors as barman. Christmas ornaments were passed out to each family as they went home.

In addition to guests bringing the food, we asked for an entry "fee" of an unwrapped child's toy or a \$10.00 donation to Catholic Charities. Our generosity brought 15 new toys and \$252.00 which were presented to Mr. Geoff Whittaker of Catholic Charities of Santa Barbara.

Entertainment for the party was organized by the Stawiecki family musicians and singers who did a wonderful job of providing Christmas music to get everyone into the Christmas spirit. This same group of young adults provides the music for the Saturday 5:30 PM Mass at St. Raphael's Church and they do a great job in that venue also.

Many thanks must be given to the organizers of the party, my wife Mary Arnoult and Maria Cabrera. Mary told me, "You'd better let us women organize this or you guys will make mess of it." The rest is history. In addition, the success of the party was assured by the help of Julie Sanchez, Mirtha Donovan, Brother Brad Bowen and his wife, Tracy, and Brother Francisco Cabrera. I even contributed a thing or two. Janet Page generously created beautiful Christmas center pieces for each of the tables.

Everyone seemed to have a good time and most of the post party comments ran along the line, "We should do this again." So if you missed this party, I hope that this will be the beginning of the "annual" Christmas party and we will see you next year.

**COUNCIL MEMBERS DISTRIBUTE CANDY
TO WIDOWS**

Annual distribution of candy was coordinated by Joe Darga along with his Santa helpers, Sam Alfano, Francisco Cabrera, GK Stephen Schlesselmann and PGK Richard Scholl. These enthusiastic members of the council distributed two pound boxes of chocolate candy to 32 widows in our community prior to Christmas. Twenty six received candy and six received certificates.

The tradition started 30 years ago when Ralph Wengler was the Grand Knight of our Council. He saw the need at the Christmas time of the year to remember in some way the widows of deceased members. The tradition has continued throughout the years in which some 900 widows have been visited.

Widows visited this year were all appreciative of the candy gift and look forward to this annual event. A number of them invited Knights in their homes to have a cup of coffee, talk about old times and to inquire how the Council was doing. Many of the widows had fond memories of their husband's participation in the Council yearly activities. The involved Knights expressed a feeling of contentment to be able to present these tokens of warmth and appreciation to the widows of deceased Knights.

**Pandos Married 60 Years, Parishioners Since
1966 - Joseph Pando, Former Grand Knight, a
Knight for 52 Years**

By Joe T. Kovach, 3rd Degree Knight

Joseph Paul Pando has been a member of the Knights of Columbus for 52 years. Joe became a Knight in 1954 in Los Banos, California, serving as Grand Knight with their Council #3726 and since 1970 has been active with Council 5300 and Assembly 44 in Santa Barbara. He stated, "The one Knights of Columbus event that stands out as a cherished remembrance never to be forgotten was when I was voted in as the Grand Knight of Council #3726."

The native of Fresno was a Charter Member of the Los Banos Council where he also served as Recording Secretary and Deputy Grand Knight. His sponsor was Norman Brunelle, his wife Eileen's brother.

His parents, Pio and Faustina Pando, were from northern Spain (Basque country). Born on January 19, 1918, Joe and his brother Albert (deceased) and two sisters Helen Brassesco and Angelina (deceased) attended grade and high schools in Stockton. Joe reflected, "My parents were right when they told me to be my own boss."

Joe enlisted in the U.S. Army in 1941 and served his military duty through 1945 in Illinois, Missouri, Kansas, India and Burma. He retired as a Staff Sergeant in the Medic Corps. While stationed in Concordia, Kansas he met Betty Eileen Brunelle, one of the four children born to Francis and Mabel Brunelle in Aurora, KS. Her siblings include Avis Marie Prophet, Norman and Eldon (deceased). Eileen's birthday is December 15.

On September 8, 1946, they were married at St. Eugene's Catholic Church in Inglewood, CA. by

Rev. Patrick Casey. The newlyweds started a business selling fertilizers, insecticides, seed and feed in Los Banos in 1946 and owned it for 20 years. During the time they became proud parents of six children: Judy, Joseph, Jim, Joan, Janice and Jacqueline. Today they beam with pride in having 14 grandchildren and three great-grandchildren. Joe stated, "My greatest personal moment as a husband was my first born daughter - after that I had two sons and three daughters."

In 1966, the family moved to Goleta where they opened a Dairy Delite Restaurant on Storke Road where the entire family worked at the popular eating spot for 13-years. In 1979, Joe decided to work for Raytheon until he retired in 1995.

Members of St. Raphael's Church for the past 40 years, they have been very active with the parish, participating in all their events. Joe ushered for years, worked at the parish picnic and the New Year's parties for 22 years. Eileen taught CCD in St. Joseph's Church in Los Banos and at St. Raphael's, served as President of the Women's Auxiliary in 1988-90 and also in Los Banos. She was President of the Women's Service Club in Goleta and the 4-H Club in Los Banos. She is also volunteering at Goleta Valley Community Hospital (10 years now) and was President of the Auxiliary.

Two special St. Raphael pastors who were extra-special to them during their years here were Msgr. Henry A. Van Son and Msgr. Stephen Noel Downes. Joe exclaimed, "I liked both equally...their personalities and smiles were most memorable."

Two cute human-interest stories about Mrs. Pando:

*While in the 6th grade at St. Joseph School in Aurora, Kansas, her teacher, a nun, had seven Bettys in the class. The nun and the seven Bettys had an unbelievable time with this situation so Betty Brunelle decided to help ease the confusion by using her middle name, Eileen, and she has used that ever since.

*Another was when Eileen's aunt, who was a nun, met Joe while he was stationed in Aurora. She told Eileen that Joe was the right one to marry. And for the past 60 years they have been happily married.

Pando stated, "The best thing about being a member

of the Knights of Columbus is the spiritual fellowship." He continued, "I enjoyed attending meetings of both Council 5300 and Assembly 44." He acknowledged, "I cooked for a few years at 5300 events and served as Faithful Navigator for Assembly 44. He pointed out, "The present Knights are doing a good job - far better than I did when I was an officer."

The Pandos have enjoyed traveling especially their three trips to Mexico, four cruises to the Caribbean, twice to France, and once to Spain, Italy and down the Mississippi River on the Delta Queen Steamboat. They both have enjoyed bowling for years in league competition and for entertainment. Joe's high score was a 273 at the old San Marcos Bowl in Santa Barbara. Eileen's high score was 201 in the St. Raphael's Women's League at Orchid Bowl (now called Zodo's).

(Grand Knight's Rpt-Continued from page 1)

Brother Nacho was not only a prior Grand Knight and Faithful Navigator but was also a past Color Corp Commander. Brother Nacho helped out at many events and as one Brother Knight stated: "He will be missed". Make sure to pray for his soul and for the family.

We hosted a few events in the month of December. The trustee's Christmas party took place; we had a blood drive/membership drive/pancake breakfast on Sunday, December 10th; the Christmas Candy for Widows took place and, finally, we had our quarterly Corporate Communion on December 30th. Please see information elsewhere in this bulletin for details on these events. Thank you to all the Brother Knights who coordinated and participated in these events.

There are a number of upcoming events in January, including a First Degree on January 8th at the business meeting, the pancake breakfast on January 14th and the Clergy Appreciation Dinner on January 30th hosted by Council 1684 at Bishop Diego High School. Please make sure to participate in all these events.

I just want to make a couple of comments about several of these events:

- 1) The First Degree: right now we only have 2 candidates that will be receiving their first degree that night. It would be great to get triple that number. Please, if you know of any candidates that might be interested in the benefits of joining the Knights, please don't hesitate to approach them about it. If you need help with recruiting, let Brother Sam Alfano or one of the officers know, and we will be glad to assist you. As of today, we have only gained 2 new members in the Council and need 8 more to reach our quota by June 30th. Also, please make sure to come on January 8th and show your support for the new candidates.
- 2) The Clergy Appreciation Dinner: Brother Ray Charpentier from Council 1684 recently informed me that only about 1/3 of the tickets for the Clergy Appreciation Dinner have been sold so far. This dinner is put on every year by either

Council 1684 or Council 5300 to show our appreciation for all that our clergy do for us all year long. Please make your plans now to attend. The tickets are only \$12.50/person and it always a great event. We would like to see the gym at Bishop Diego packed. If you need a ticket, please let one of us officers know and we will be happy to get you one.

KNIGHT OF THE MONTH

Chris Arnoult

By Stephen Schlesselmann, Grand Knight

This month, I would like to name Brother Chris Arnoult as the Knight of the Month. Brother Chris (shown above with his wife, Mary) first joined the Knights in November, 2000. Chris received his 3rd degree in September, 2001 and his 4th degree in November, 2003. Brother Chris has been very active with the Council since he joined. Chris has served in most of the officer positions including Advocate, Chancellor, Deputy Grand Knight and finally, Grand Knight for the 2005-2006 Columbian Year. As has been previously reported in earlier editions of the Knightline, while Brother Chris was Grand Knight, the council earned the Star Award for fulfilling requirements in membership and programs. Chris has also been the Church Director and has been active in planning and helping with the Clergy Appreciation Dinner when Council 5300 has been responsible for hosting it. In the month of December, Brother Chris helped plan and host the Trustee's Christmas party and coordinated the blood drive that we had on Sunday, December 10th. Chris is one of those Knights who is always around to help wherever needed: whether it's at the Fiesta Coke Booth, the parking detail, various dinners, the

Picnics, etc. Oh, I forgot to mention, Chris also works full time! Thanks Chris for all you do for the Knights!

FAMILY OF THE MONTH

Stawiecki Family

By Stephen Schlesselmann, Grand Knight

This month, I would like to name the Stawiecki Family as the Family of the Month. Most of us know the Stawieckis as that Polish family of singers who have taken the parish by storm and have certainly contributed a great deal to the parish in the short time they have been with St. Raphael's. The Stawieckis have provided the music at the 5:30 PM Mass for several years now and are very good. Most recently, the Stawieckis sang Christmas Carols at the Trustee's Christmas party and did a great job. I wouldn't be surprised if the family receives a recording contract one of these days! In addition to their singing abilities, the family also helped out last spring at the Lenten Fish Fries and around the parish as needed. The family is also very generous. Apparently, soon after they arrived, while they were attending noon Mass at St. Raphael's, they encountered a homeless person. They quickly ran home, retrieved some food and brought it back so that the homeless person would have something to eat. Thank you Stawieckis for all you do for the parish!

Please read more details about this event in Brother Chris Arnoult's report elsewhere in this bulletin.

- 2) **December 10, 2006** – A combination pancake breakfast and blood drive took place after the morning Masses. We thank the volunteers who staffed this important K of C fundraiser. Free Breakfast was provided for all blood donors.

Mexican Knight and Bishop Canonized
Supreme Knight represents Order at Vatican ceremony

Presiding at the second canonization ceremony of his pontificate, Pope Benedict XVI honored a Mexican Knight of Columbus who is also the first bishop born in the Americas to be declared a saint.

Mexican Bishop Rafael Guízar Valencia of Veracruz was declared a saint Oct. 15 at a canonization Mass in St. Peter's Square. Supreme Knight Carl A. Anderson and Mrs. Dorian Anderson attended the ceremonies.

"We welcome the canonization of our Brother Knight, Bishop Guízar Valencia, and know that his life of courage and legacy of evangelization will be an inspiration to each of our 1.7 million members around the world," said Supreme Knight Anderson.

Bishop Guízar Valencia (1878-1938) becomes the seventh Knight and the first bishop-Knight to be declared a saint. He was a member of Francisco Suarez Peredo Council 2311 in Mexico.

Six other Knights, all of whom were martyred in

Mexico during the persecutions of the 1920s and 1930s, were declared saints by Pope John Paul II in 2000.

Jesus Offers the Only True Happiness, Says Pope

Warns That False Prophets Propose a "Cheap" Salvation.

VATICAN CITY, DEC. 20, 2006 (Zenit.org).- Born in the poverty of Bethlehem, Jesus offers every man and woman true happiness, said Benedict XVI at the last general audience before Christmas...

In this context, the Holy Father asked: "Does humanity of our time still await the Savior?"

"The impression is that many think that God is foreign to their own interests." "It would seem they have no need of Him; they live as if He did not exist and, worse still, as if He were an 'obstacle' that must be removed so they can be fulfilled.

"However, despite its contradictions, anxieties and dramas, and perhaps because of them, today's humanity seeks a way of renewal, of salvation, a Savior and awaits, sometimes unconsciously, the coming of the Lord who renews the world and our lives; the coming of Christ, the only true Redeemer of man and of all men."

Benedict XVI said that "false prophets continue to propose a 'cheap' salvation, which always ends by causing harsh deceptions."

"In fact, the history of the last 50 years shows the search for a 'cheap' Savior and manifests all the disillusionments that have derived from it," the Pope continued.

Expectations

"We Christians have the task to spread, with the testimony of life, the truth of Christmas, which Christ brings to all men and women of good will," he said. "On being born in the poverty of the stable, Jesus comes to offer to all the only joy and peace that can satisfy the expectations of the human spirit."

The Successor of the Apostle Peter invited the faithful to prepare for Christmas as Mary and Joseph

did.

They "experienced in the first person the emotion and trepidation for the Child about to be born," the Holy Father said. "It is not difficult to imagine how they spent the last days, waiting to take the newborn in their arms.

Roe V Wade - The Unconstitutional Decision

By Carolyn Gargaro

Rightgrrl Co-Founder

February 3, 2000

Updated February 5, 2000

Roe v Wade is undoubtedly one of the Supreme Court's most controversial decisions. Handed down in January of 1973, the Court declared, by a vote of 7 to 2, that abortion was a right guaranteed by the Constitution under an implied right to privacy.

Justice Harry Blackmun, the author of the majority opinion, stated that the Constitution does not explicitly mention a right to privacy but, "in varying contexts the Court or individual justices have, indeed, found at least the roots of that right." The right to an abortion was then considered an extension of this privacy right. As Blackmun stated, "This right of privacy, whether it be founded in the Fourteenth Amendment's concept of personal liberty and restrictions upon state action, as we feel it is, or, as the District Court determined, in the Ninth Amendment's reservation of rights to the people, is broad enough to encompass a woman's decision whether or not to terminate her pregnancy." This decision made it unconstitutional for any state to restrict abortion in most circumstances.

Because of this decision, I continually hear pro-choice advocates claim that my, and other's, opposition to *Roe* is uninformed and misplaced, since *Roe* gave women a "constitutional right" to an abortion. However, *Roe v Wade*, the very case which made abortion a constitutional right, is in fact, not based in the Constitution. The Court's decision is riddled with contradictions, law-making decisions (which the Court is not supposed to do), and rather strange Constitutional interpretations...

Now, back to *Roe*. Blackmun decided that a "right of personal privacy...does exist *under* the Constitu-

tion" and this personal privacy "right" creates a limited right to have an abortion, especially in the first trimester when the fetus was not viable. Blackmun found that the state interest in protecting life did not override the limited right to an abortion until third trimester, when the fetus is most certain to be a viable person; since 90% of abortions occur in the first trimester, abortion became an almost total "constitutional right." Remember: this opinion was not grounded in any constitutional text, but instead on one broad interpretation after another. Blackmun also cleverly used the word "under" as opposed to "in" when referring to the privacy right, and only claimed it to be a limited right (balanced against the state interest) to somewhat mask the fact that the actual text of the Constitution does not support the Court's opinion, and even the *Griswold* decision did not go as far as allowing an abortion. Blackmun could not use the rationale of *Griswold*; Justice White, who was in the majority in *Griswold*, did not believe that abortion was private in the sense that contraception was. Three new court appointees, moreover, disagreed with *Griswold*. So Blackmun argued that the 14th amendment words "due process" went further than the penumbra of the Bill of Rights, and created rights "implicit in the scheme of ordered liberty". From this, he developed a limited right to an abortion.

It's debatable whether there is indeed an implied right to privacy in the Constitution, but regardless of one's opinion on that, it seems tenuous and irresponsible of the Court to expand this right to the right to terminate the life of the unborn. After all, the right to privacy doesn't expand to many other areas in a woman's life, but somehow, without specific justification, it extends to the right to have an abortion? In addition, the idea that the right to an abortion is a "constitutional" right begs the question: are there then constitutional rights that apply only to certain groups of people? After all, this "right" to abort certainly does not extend to men, so does this mean that women have fundamental rights that men do not? Should men then, have a Constitutional right that applies to them, but excludes women? What other rights beside privacy are "implied" by the Constitution, if any? And what is "private" about an abortion--is it any more private

than infanticide? Is there any government intrusion that does not invade privacy?...

The argument for such examples would be that obviously, someone's privacy right wouldn't override the right of someone to live, since such an application would allow for the abuse of others, so long as it was done in private. Ah, but the Court got around this too, by labeling the unborn as less than fully human, and asserting that the Constitution only protects "post-natal" life. This meant that the state could not weigh the child's privacy right against the mother's, only the state interest in protecting potential life.

First, it would seem apparent that the unborn was not specifically mentioned at the time because the framers of the Constitution did not have adequate medical knowledge to know what we do now about the biology of the unborn; or, they assumed that it would be clear that the unborn was covered, since they didn't deem it necessary to specify that each stage of a person's development was constitutionally protected. The Court seemed perfectly content to ignore these very real possibilities, and placed the liberty of the woman above the unborn's right to live...

The right to life? Yes, the right to life - ever heard of that? It's one of those unalienable rights that's mentioned in the nation's charter, the Declaration of Independence. The Declaration of Independence states that "all men are created equal" and are endowed by their Creator with the certain unalienable rights, one being the right to life. The Declaration is clear that this right belongs equally to all human beings. Thus, under this definition of the right to life, there can be no distinction based upon whether human life is "potential" or full. Yet, that is the core distinction of *Roe v Wade*, and it directly contradicts the right to life retained by the people according to the Ninth Amendment! So ironically, the Ninth Amendment was used to justify a newly found, unmentioned right to privacy that magically extends to the right to abort, when in fact, denying the unborn rights based on the fact that the unborn is inside, rather than outside the womb, contradicts the Ninth Amendment! In addition, the Court used the Ninth Amendment to justify this unmentioned

right to privacy, yet then turned around and denied the unborn rights because the unborn child was *not* specifically mentioned! So how can we say that we have a constitutional right to privacy that extends to abortion even though it is not mentioned in the Constitution, and then turn around and deny rights to another human because the unborn wasn't specifically mentioned!? *Roe* actually extended this nonexistent right, saying the 14th amendment went even further than the Bill of Rights.

It gets better. Justice Blackmun also cites the "fact" that "the unborn have never been recognized in the law as persons in the whole sense" to justify denying rights to the unborn. First, that "fact" is not accurate. The unborn child was, and is still treated in certain tort and negligence law as a person. Secondly, we seem to be going back in time a bit, when we arbitrarily decided that some people are not "full persons."

Recall the 1857 *Dred Scott v. Sanford* decision, which declared that slavery could not be prohibited by Congress in any territory of the U.S. and that African Americans were not full persons and not afforded the same rights as "full persons." Sound familiar? President Lincoln argued that the slaves were persons, not possessions, and that their unalienable right to liberty was protected by the Declaration of Independence unborn. To add to the irony, after the Emancipation Proclamation in 1863, came the Thirteenth (1865) and Fourteenth (1868) Amendments, all which overthrew slavery and the erroneous *Dred Scott* Supreme Court decision. The Fourteenth Amendment...how ironic. One of the Amendments which helped overturn *Dred Scott* is now used to further the "non-person" argument -the same argument the Amendment was created to prevent! How can the Supreme Court use the Fourteenth Amendment to help justify denying the unborn unalienable rights when this Amendment was supposed to protect people from such selective rights attribution? It would seem obvious that the framers of the Fourteenth Amendment implicitly included the unborn child in the due process and equal protection clauses of the Fourteenth Amendment...

Blackmun states that "the unborn have never been

recognized in the law as persons in the whole sense alone" to justify abortion up until the precise moment that the infant leaves the womb. Blackmun believed that the unborn have never been recognized by the law, but he later states in *Roe* that "at some point the state interests as to protection of health, medical standards, and prenatal life, become dominant" over the woman's "right to privacy"? To try and get around this contradiction, Blackmun created "trimesters" which gave some protection to the unborn in the later stages of pregnancy. By doing this, Blackmun contradicts himself yet again, since he also stated in *Roe* that "We need not resolve the difficult question of when life begins. When those trained in the respective disciplines of medicine, philosophy, and theology are unable to arrive at any consensus, the judiciary, at this point in the development of man's knowledge, is not in a position to speculate as to the answer." So, Blackmun states that the judiciary should not speculate as to when life begins, and then precedes to do just that as he defines levels of fetal protection based on trimesters.

Not only is Blackmun's definition of trimesters a contradiction of Blackmun's other statements, but it goes against what the Supreme Court is supposed to do...

Resolutions

**Knights of Columbus
Goleta Valley Council 5300**

Reference: Expenditure for Memorial Reception for Fr. Cyril's Grandmother:

Council officers had previously approved an expenditure of \$200 for a contribution to the memorial reception in honor of the grandmother of our council's chaplain, Fr. Cyril. The reception was coordinated by Mrs. Margaret Priest who worked tirelessly in making the Mass and the dinner reception extremely meaningful both for Fr. Cyril and for our

church community.

Mrs. Priest's expenditures for the dinner reception amounted to \$317.40. It is hereby requested that we reimburse Mrs. Priest the full amount of \$317.40 rather than the pre-approved amount of \$200.

Resolution proposed by Brother Sam. S. Alfano.

Cub Scout 105 recently received the Gold Medalion Award from the National Catholic Committee on Scouting for 2006. This Award recognizes our parish's Cub Scout Pack as the best Catholic sponsored unit in Region 11 (California, Nevada, Hawaii and Guam). Presentation of the Award will be made at the Scout Sunday Mass on February 4 (7:30 AM) at St. Raphael's.

We received the following letters from several of our members:

Dear Worthy Grand Knight
Stephen Schlesselmann

The purpose of my letter is to thank the Knights of Columbus for their prayers during the past year for my son, Joel and for the many sympathy cards, Mass cards and for the Perpetual Remembrance. It was always with a sense of pride (and sorrow) that I presented these in the past.

I feel the Knights of Council 5300 are making great progress each and every year and I look forward to becoming more active. During the past year our lives have been filled with a lot of extra activity. We made ten trips to Pocatello, which consumed 10 to 12 hours each way by motor, air, layovers, security, and rental cars.

God bless you all.

The Christmas Card sales went very well. Brother Bill McNamara informed the council at the last business meeting that many boxes were sold and the Council netted about \$373. However, Bill also mentioned that this will probably be his last year due to time commitments so we will need someone to take over full time for next year. Please let one of the officers know if you are interested.
