DISTRICT DEPUTIES CONVENTION 12/01-02/07

On the evening of December 1, 2007, the District Deputies who attended the District Deputies meeting were treated to a delicious banquet. Before the banquet, those of us in the Los Padres Chapter posed for our picture (*from left to right*): FDD Brian Klinge, FDD Cherif Khoury and his friend, Maureen, DD Stephen Schlesselmann, DD Tom Pickles and his wife, Barbara, Fr. GRAND KNIGHT'S REPORT

By Francisco Cabrera, Grand Knight

Food for Thought

Dear fellow Brother Knights of Columbus,

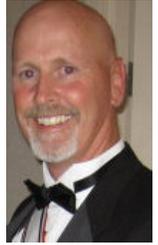

In the Month of December, we celebrate Christmas, Jesus Christ's Birthday. Let's all concentrate and meditate on the fact that Jesus is the gift. When we are buying gifts for each other and for our loved ones, please remember the true meaning of Christmas. That Jesus is the Gift. Jesus is the gift that perfectly fits every heart and it is with His love that all celebration starts. We rejoice in Him as we remember His birth and thank God for sending His only Son to earth.

Program Director's Report
By Dan Knauss, Deputy Grand Knight

And so we begin the year 2008. To me, like to many others, it's a wonderful time to reflect about how last year was, and what I do expect for this one. We're usually too busy living our routine (working, taking care of our families, enjoying our hobbies...) that we don't have time to stop and center ourselves. What flavor has this year left in us, positive, hard, normal, unforgettable? What have we received and what have we given? What do we expect for 2008? And regarding what we're expecting... is this thing or event necessary

District Deputy's Report
Stephen Schlesselmann, District 61

A Spiritual Thought

On January 1, we will be celebrating the feast day of Mary, Mother of God. Let's pray to Mary often for her constant help in getting closer to our Lord. Also, let's learn from her. As **St. Josemaria de Balaguer** states in the Way: "Mary most holy, Mother of God, passes unnoticed, just as one more among the women of her town. Learn from her how to live with 'naturalness'." (page 122 of the **Way/Furrow/the Forge by St. Josemaria de Balaguer**).

First of all, I hope all of you had a very Merry Christmas and that you will have a very Happy New Year. Let's make this the best year ever for our District. Let's roll up our sleeves and get to work!

I would like to congratulate our 2 newest Brother Knights in the District: Brother Paul Maxwell of Council 1684 and Brother Alex Rodriguez of Council 5300. Both Brother Knights took their first degree on Wednesday, December 5 at Council 1684. Congratulations!

As I reported at the Council meetings in December, the District Deputies' Mid Year meeting took place on December 1 and 2 in Ontario, CA. The meeting was very fruitful and each of us District Deputies were given plenty of information to pass on to the various Councils in our Districts. A summary follows but if you would like more details, please visit the California KC website at www.kofc-california.org. In the lower right hand part of the screen, there is a green dot. Click on that dot and it will bring up a web page with links to download the outline of the meeting.

District Deputies' Mid Year Meeting:

1) Fr. Grace (our current State Chaplain) started out the convention by making a very strong speech for bringing spirituality back into the

councils. He wants us to spend at least 10 minutes per meeting discussing the articles Bishop Lori is writing in the Columbia magazine. Starting in January, we will be implementing his request.

- 2) The State Convention is coming up in May and if anyone wants to attend, please let me know.
- 3) The California Knights have a new museum now about the history of the Knights in California. It is located in Fontana and is devoted to displaying memorabilia from the past years of the Knights in California. The museum is actively looking for donations of money and items and all items donated are tax deductible.
- 4) KC insurance is very strong and current policies in force right now total to \$6.4 billion dollars. The KC insurance program again is rated among the 6 best insurance programs in the U.S. Every Knight should have insurance with the Knights of Columbus. One way to ensure that this is affordable is through the new member plan which was recently expanded to all current members of the Knights (everyone should have received a copy) for a limited time.
- 5) Our IPSD and current Supreme Director, Emilio Moure, reported that things aren't going too well in California with regard to membership. We are 2nd to last in terms of the number of Catholics who belong to the Knights. Emilio wants us to attain 150,000 new Knights in the next 5 years. We can do this if we visualize the dream, make a commitment to the dream and eliminate excuses and pray. Since 32 Bishops in California are behind us, Emilio wants us to be in constant communication with them. Emilio also wants us to outreach to other nationalities such as the Hispanics, Filipinos, etc.
- 6) The Fr. McGivney Guild was discussed. The State would like all members to sign up for the Guild. The only requirement is that members sign up and pray the Fr. McGivney prayer card.
- 7) Some time was spent discussing new council development including Spanish speaking councils. Bobby Velasquez and his staff are ready to assist in this process (David Farebrother is thinking of starting a college

council at Thomas Aquinas College in Santa Paula).

- 8) The net/net gain in new Knights is very low right now. We are well below the membership targets set up for the year. PSD Ross Willour suggested that each officer be responsible for bringing in 2 new Knights per year. There are 2 more blitzes coming up during the year: January 12-13, 2008 and April-26-27, 2008.
- 9) The wheelchair contributions are down and should be increased. Wheelchairs are not only being given to needy persons in Mexico but also to Veterans in the U.S. (LA, Dallas, Chicago and Washington, DC). We should be contributing more to buy more wheelchairs. We watched a very moving video made in 2006 about the latest distribution in Mexico. Chris Lewis also talked about how much other states are contributing (Illinois-\$2 million dollars). Chris will be happy to speak at any event (the Clergy Appreciation Dinner was suggested).
- 10) The Squires program was discussed – all it takes is 10 boys supervised by the Knights.
- 11) The Family Activities Director should be picking out and recognizing one family of the month.
- 12) The West Coast Walk for Life is coming up on 1/19/08.
- 13) We heard from the Supreme Membership Director, Kevin Kirby, who stated that membership is a 24 hour, 7 day a week job. Every Knight has the responsibility to recruit.

Programs:

Council 1684 hosted their annual Christmas party on December 12. On Wednesday, January 9, the Chapter meeting will take place right before the Council's regular business meeting. Please make every effort to attend.

Council 5300 hosted their Christmas party on December 1. On December 9, the council hosted a blood drive along with the pancake breakfast. Council 5300 will be hosting a First Degree on Monday, February 11, 2008. Candidates should be there at 7 PM with the degree starting at 7:30 PM. Let's make every effort to welcome many Brother Knights that night into our councils!

Council 10067 (Satticoy) will host a February Valentine's Dinner/Dance on February 16 at their Council.

Other Notes:

- 1) The following forms are due within the next few months: Form 4584 – Special Olympics Results Form, Form 1728 – Fraternal Activities report – Jan 31, Semi Annual Audit-Feb 15.
- 2) Right now, the district is at 36% of membership and 75% of insurance. We have a long way to go with membership and already 1/2 of the fraternal year is over. Brothers, we can do better! Let's get those candidates who have filled out Form 100s into a first degree. Let's step up our efforts to invite our fellow Catholics into our Order. Remember, it is every Knight's responsibility to recruit.
- 3) Council 1684 & 5300's joint Clergy Appreciation Dinner is scheduled for January 30, 2008. Make your plans now to attend. All Knights are invited and encouraged to attend. The cost is only \$15. See Council 5300's website at www.kc5300.org for more details.
- 4) Please be sure to visit the K of C's website (www.kofc.org) when you get a chance for up to date information about what the Order is doing at the national level.
- 5) During the DD's convention, Fr. Grace was presented with an honor roll of all the Knights who took their first degree between May 1 and June 30, 2007. Five Brother Knights from our District were included on that roll: Brothers Philip Friden (1684), Antonio Aceves (5300), George Velasquez (5300), Javier Alvarez (13756) and Michael Betliskey (13756). Congratulations, Brothers!
- 6) From December 1 to April 20, 2008, all new first degree Brother Knights will be listed in a special book that Supreme Knight Carl Anderson will present to Pope Benedict XVI when the Pope visits the United States in April. All new first degree Brother Knights who take their first degree between December 1 and June 30, 2008 will be presented with a limited edition certificate acknowledging their joining the

Knights during the 125th year of our Order. Finally, the Knight's recruiter will receive a minted medallion acknowledging their efforts.

- 7) Please make sure to pray for the repose of the souls of the following Knights: Dick Allen, Col. Bravo (father of PCP John Bravo), Henry Hyde, DD Tom Lambdin and Fr. Luis Quihuis. Finally, remember to pray for all of our sick and deceased Brother Knights.

Report of the 4th Degree
SK Cherif Khoury, Faithful Navigator

Worthy Sirs,

I would like to wish you all a happy and prosperous new year filled with charitable opportunities as well as patriotic accomplishment. Pope Benedict XVI reminded us in his Christmas message to save time for God and for the needy. The opportunity will knock at your door very soon to show how you can serve God, country and the needy all at once. I hope you will all jump with joy and volunteer your time to benefit the less fortunate in our community. That will make God very happy and Pope Benedict will be confident that his message was well received and immediately activated.

The Santa Barbara County Elections Office has offered the Society of Saint Vincent de Paul the opportunity to adopt precinct polling places in various locations. Sir Knights and their ladies are cordially asked to volunteer their time to help the Conferences in their mission of charity. What a noble and patriotic way to serve God and the country by donating a full day of your time for that worthy cause. The County needs your help and the Society of SVDP will use the funds to alleviate the worries of many who are facing difficult times.

Election Day is Tuesday, February 5, 2008. The following is a list of various polling places where you can serve:

- Community Covenant Church, 5070 Cathedral Oaks Santa Barbara, CA 93111. (4 precincts)
- St. Raphael Church, 5444 Hollister Avenue, Goleta, CA 93117. (3 precincts)
- Santa Barbara Women's Club, 670 Mission Canyon Rd., Santa Barbara, CA 93105. (1 precinct)
- Hope Elementary School 3970 La Colina Rd., Santa Barbara, CA 93110. (1 precinct)

In addition to the 3 precincts adopted by the Junipero Serra Assembly at St. Mark's Church in Isla Vista, these newly adopted precincts need to be staffed by volunteers. Please call me ASAP at 569-2149 and tell me your availability and your choice of precinct.

I would like to congratulate Father Tom Messner on his 40th Jubilee in the priesthood. The Mass was celebrated by Father Tom himself Sunday, December 16 at Serra Chapel which was filled by many of his relatives and friends. After the Mass, as Faithful Navigator, I presented Father Tom with his membership certificate as well as a lifetime honorary membership card. Also, our new members who joined last November and who were present received their certificates. The event was blessed by the presence of our beloved Bishop and Assembly Chaplain Thomas Curry as well as friars from various states in the province. To culminate the festivity, a sumptuous reception at the Friar's lounge welcomed all attendees and was followed by a delicious lunch for those who had a bigger appetite. Father Tom thanked the Color Corps for participating in the Jubilee with such an impressive showing.

Worthy Master Manuel Lima announced that the date for the 4th Degree district meeting will be Saturday, February 16 in Visalia at 10 AM. Every Assembly is required to send three delegates to the meeting. One item of discussion is the nomination of 3 candidates for the position of Master of the Central District to be submitted to Supreme for his appointment. Location and dates of future Exemplifications will also be discussed. If interested in being a delegate, please notify me and

we will vote on the three delegates at our January business meeting.

Upcoming schedule of events:

- Monday, January 21 at 7 PM: Assembly meeting and dinner at St. Raphael's Parish Hall.

May you all have a wonderful year and I hope your families' hearts are filled with happiness. I would like to see you more often at our socials and meetings as it is never the same without you there. Your presence makes a difference.

May God's blessing be on all who obey His command and serve Him all the way.

Vivat Jesus.

Chancellor's Report
SK Bill McLafferty, Chancellor

On a recent Christmas card I received from Sir Knight Terry Bonham, a member of our Assembly who lives and works in Ventura, he sent a message thanking the Knights for their prayers for his wife, Lady Joyce Bonham. In an earlier column, I reported that Joyce had been diagnosed with Lupus and that her kidneys were affected to the point where she now needs a transplant. Sir Knight Terry

took her to UCLA for assistance and she was ordered to start dialysis until it could be determined whether she would be placed on a donee list for a new kidney. Doctors were able to get Joyce into dialysis treatment in Ventura County and she must go three days a week for three hours at a time for each treatment. This will continue for the rest of Joyce's life or until a donor kidney is found and she is approved for the necessary transplant. She and Terry will learn in January at UCLA whether she can receive a transplant. In the meantime, the dialysis treatments will continue.

Sir Knight Terry was amazed to note how many people were receiving dialysis treatments in Ventura County at several centers. As Sir Knight Joe Darga has told us many times, we must consider making a gift of our organs when we pass on from this life in order to provide a better life for those in need of a healthy organ. Many people are desperately waiting for a donor organ.

Let us kneel in prayer every night and ask for divine guidance in making the decision of whether to provide the most important gift we could ever make to another. While we are in prayer, remember Lady Joyce and Sir Knight Terry, who need your prayers in this time of treatment. Let us also pray for Joe in his efforts to spread the word in this endeavor.

We are looking forward to a New Year of Knight activity with new members. Let's work on recruiting!

Treasurer's Report
Joe Darga, Treasurer

This past year ended on a positive note with Council 5300 honoring the Widows of deceased Brother Knights of Council 5300. For many years (I have no idea of how many) our Council has given each Widow a small gift in honor of their husband's service to the Knights of Columbus. This year, a 5 pound tin of Danish Butter Cookies along with a Christmas card signed by Grand Knight Francisco Cabrera was delivered to 26 Widows living in the Goleta/Santa Barbara area. For Widows living outside the area, and there where 7, a \$10 Sears gift card was mailed. A special thanks goes to the following Brother Knights for delivering cookies to the Widows: Mark Vampola, Esteban Valenzuela, Brad Bowen, Tim Hogan, Dan Knauss and Raphael Cardenas.

Psychological Association on Sexual Violence

The American Psychological Association reported in February that it has found that girls and women are "sexualized" by the "sex-saturated culture" in which they grow up. This, the Association said, is harmful to the self-image and healthy development of girls.

The Association report also said:

The sexualization of girls may not only reflect sexist attitudes, a societal tolerance of sexual violence, and the exploitation of girls and women, but may also contribute to these phenomena. Sexualization occurs, the APA report said, when a person's value comes only from her or his sexual appeal or behavior, to the exclusion of other characteristics; when a person is held to a standard that equates physical attractiveness with being sexy; when a person is sexually objectified, e.g., made into a thing for another's sexual use, or when sexuality is inappropriately imposed upon a person.

The APA study uncovered "evidence that sexualization contributes to impaired cognitive performance in college-aged women, and related research suggests that viewing material that is sexually objectifying can contribute to body dissatisfaction, eating disorders, low self-esteem, depressive affect, and even physical health problems in high-school-aged girls and in young women."

You can find the APA's full report online here: <http://www.apa.org/pi/wpo/sexualizationrep.pdf>

Beware of Planned Parenthood!

(From an article on the Pro-Life Frontline found in Spirit Daily for 23 December, 2007)

The abortion controversy has another twist. Planned Parenthood and others in the abortion clinic business make their money by selling abortions, birth control pills, pregnancy tests and treatments for sexually transmitted diseases. But in order to push sales to minors, NAF & Planned Parenthood abortion clinics have been ignoring child abuse reporting laws and promising to conceal statutory rape and ongoing child sexual molestation. We have over 800 tape recordings that show how Planned Parenthood and NAF abortion workers secure business from victims of statutory rape by undermining parental authority, encouraging

children to lie and promising minors that their employees will ignore mandatory reporting laws. Hundreds of Planned Parenthood clinic and National Abortion Federation clinic employees have been caught on tape expressing their willingness to conceal the statutory rape of a 13-year-old girl by a 22-year-old man. Even though many of these Planned Parenthood and NAF employees openly acknowledged that statutory rape is a crime and that they are required by law to report.

How Many Heisman Winners Has Abortion Killed?

The sports world recently greeted the news that this year's Heisman Trophy Winner, Tim Tebow from the University of Florida, was almost a casualty of abortion. Twenty-some years ago he was not the strapping 6'3", 235 lb. beloved sports hero that he is today. At that time, he was a one-inch-long unborn child whose existence, because of an amoebic infection, was defined as threat to his mother's health. Pam Tebow, his mother, was told by a doctor that it would be in her best interests to abort this baby, and she refused. Her husband backed her up on that generous decision, and seven months later they gave birth to a perfectly healthy boy. Little did they know that twenty years later they would be standing on a national stage with a Heisman Trophy winner giving that magnificent witness to life. The world thanks you, Mr. and Mrs. Tebow! There cannot be a more touching Advent story than this.

I wonder if anyone has ever asked how many potential Heisman Trophy winners abortion has actually killed. The answer is, *twelve*. Reflect on that a bit as you read further because there is a larger lesson in the Tebow's witness.

Dr. Brian Clowes, HLI researcher, has examined the data from the 2007 *Statistical Abstract of the United States* (most recent census data) and extrapolated the numbers of the various professions and categories of Americans who have been eliminated

in the wake of nearly 49 million legalized abortions, one third of all Americans conceived since 1973. The following numbers are based on the actual government estimates of the professions represented in America. So then, who have we lost to abortion?

- 2 U.S. Presidents
- 7 Supreme Court Justices
- 102 U.S. Senators and 589 Congressmen
- 8,123 Federal, district and local court judges
- 31 Nobel Prize laureates
- 328 Olympic medalists including 123 Gold medalists
- 6,092 professional athletes
- 134,841 physicians and surgeons
- 392,500 registered nurses
- 70,669 priests, ministers, rabbis and imams including
- 6,852 priests and 11,010 nuns (vocations "shortage"?)
- 1,102,443 teachers (K-12)
- 553,821 truck drivers
- 224,518 maids and housekeepers
- 336,939 janitors
- 134,028 farmers and ranchers
- 109,984 police officers and sheriff's deputies
- 39,477 firefighters
- 17,221 barbers, and
- 24,450,000... women (the gender of roughly half of all children aborted).

These numbers of course are only the tip of the iceberg. Keep in mind that we get our statistics about abortion from the abortion industry itself which has a vested interest in under-reporting the numbers. Likewise, these categories are only a few of the professions that Americans actually work in and are by no means a full portrayal of the total American workforce. What they represent, however, is the immense *human toll* that abortion takes on a society. Abortion-promoters present abortion as an exclusively private choice, but thirty-five years of abortion exposes the perniciousness of that lie. There is a social toll that comes from abortion which cannot easily be corrected.

For three and a half decades the feminists have reveled in a misleading "freedom to choose," and on the basis of that false "right" have eliminated their

children and done immense damage to the family as the basic unit of society. Those who respect these sacred realities, on the other hand, have their wives and husbands to grow old with, their children to enjoy and their grandkids to play with and spoil. The love of life, marriage and family never leaves its adherents penniless, lonely or abandoned, and every now and then God throws in a Heisman Trophy just to show the rest of us that it's all worth it.

Sincerely Yours in Christ,

Rev. Thomas J. Euteneuer,
President, Human Life International

(Grand Knight's Rpt-Continued from page 1)

His life led from a manger to a cross on a hill where He faithfully followed His Father's perfect will. He freely laid down everything so that we could live, and there is no greater treasure anyone could give. So each time that we give, we remember what He's done and honor the perfect Gift—God's one and only Son. The number one way to keep **Jesus Christ** in your Christmas celebrations is to have him present in your daily life.

The month of December has been a busy one, the pancake breakfast/blood drive, our great Christmas party, the planning of the two main events coming up. The Clergy Appreciation Dinner on January 30 and the Past Grand Knight social on February 25. Thank you to the chairs for these events. Chris Arnoult and his team of volunteers are coordinating the Clergy event and Don Aubrey and Bernie Jochum are coordinating the PGK event. Thank you to Joe Darga for coordinating the Candy for the Widows program.

KNIGHT OF THE MONTH

Stephen Schlesselmann, DD #61

By Francisco Cabrera, Grand Knight

The "Knight of the Month" title for January, 2008 goes to our Knightline editor, photographer and District Deputy Steve Schlesselmann. Continuing with presenting training material for the general membership, our newest members and to all readers of the Knightline, the following is a description of the

duties and responsibilities of the District Deputy, Trustee-Three Years and Knightline editor & photographer:

District Deputy

The **District Deputy** is the representative of the Supreme Knight and the State Deputy and is responsible for the supervision, growth and expansion, and general care and well-being of the councils assigned to his district. His responsibilities include: ensuring that his councils follow the Order's laws and rules, promoting effective membership recruitment and retention programs, identifying and developing new council locations, assisting councils to conduct relevant service programs, and monitoring the general financial and social health of the councils in his district. The District Deputy is directly reportable to the State Deputy for all activities within the district and fulfils the very important communication link between the State and Supreme Councils and local councils.

The duties of the **District Deputy** are many and varied. The District Deputy is responsible for the supervision of the councils in his district and for the enforcement of the laws and rules of the Order. It is his duty to see that council officers understand their duties and responsibilities. He must ensure that all council officers, especially the Grand Knight, Financial Secretary, and Treasurer, follow the proper procedures in the collections of funds and ensure the council officers understand and follow the proper billing procedures of the Notice of Intent to Suspend retention program. He shall install the officers of each council in his district and present any awards to the council at an appropriate ceremony or occasion. He should ensure that councils conduct active year-round membership recruitment programs and that councils have an active retention committee. He should assess potential new council development sites and promote the Order's insurance program. He shall ensure that each council is offering active community, council, church, youth and family programs. The District Deputy has the power to declare an office in a subordinate council vacant in the event the officer fails or refuses to perform the responsibilities of his office.

The District Deputy reminds district leaders about

upcoming deadlines and offers suggestions for meetings, recruitment activities and volunteer programs. As you know, Steve is currently coordinating training sessions for the first degree teams in our area.

Steve has been the Knightline editor since the 2005-2006 Columbian year. The Council has been actively looking for Knightline editors to lighten Steve's load because as you just read, the duties and responsibilities of the District Deputy are more than a full time job. Steve takes so much pride and dedication on making sure the Knightline is accurate and it is presented in a professional manner. He has been doing a great job. All you need to do is visit our www.KC5300.org website and read the last three years of Knightlines and you will see for yourself the caliber of newsletters he has produced for our council.

Steve took his first degree exemplification in November of 2002 and by the end of 2004 he had already completed the 2nd, 3rd and 4th degrees. Steve has held several officers positions, such as Advocate, Council Director, Program Director, Deputy Grand Knight and the Grand Knight for the Columbian year 2006-2007. As my Grand Knight, Steve has been a great resource of information and has outlined important information that I needed to know both as his Deputy Grand Knight and now as the current Grand Knight. Steve as my DD, has been doing a great job reminding me of the deadlines of when important information is due to Supreme and to the State. I would like to recognize Steve for his hard work and dedication to the Council as a DD, as Knightline editor and a member that wears many hats in all of our activities. It is common to see Steve helping with event setups, cleaning, going to as many meetings as time permits in his schedule. He drove our past Chaplain Fr Cyril to Irvine, California in October so that Fr. Cyril would obtain his 4th Degree. Last but not least, Steve is the most active photographer of the Council. The reason our Knightline photo galleries are so complete is because Steve is there to capture the KODAK moment (oops, I do not think Steve's camera is a Kodak, sorry Steve). Congratulations, Steve for a GREAT JOB. Keep up the good work.

FAMILY OF THE MONTH
Bill & Elaine McNamara
By Francisco Cabrera, Grand Knight

The "Family of the Month" title for January, 2008

goes to our Bill McNamara and his wife Elaine. Bill was the 29th Grand Knight of Council 5300. He held this office during the 1990-1991 Columbian year. Bill has held numerous officer and director positions at the Council including Financial Secretary in 2000. Bill has

touched many families and contributes in many ways not only by making our Council better but also helping the community in need by acting on the "Service to Others" theme.

I am recognizing Bill for all the time and effort that he dedicates to the Council. But above all, let it be known that what Bill has been able to accomplish, is with the support of his wife Elaine. "Behind every great Knight there is a GREAT KNIGHT'S WIFE who supports him with whatever it takes to make him successful as a Knight.

Elaine also participates in church activities, she has been a Eucharistic Minister at St Raphael's since 1991, and also was the Coordinator for the Eucharistic Ministers for several years. We are very fortunate that 18 years after Bill held the office of Grand Knight he is still very active in our Council. Bill attends many business meetings and some officers' meetings when there are important items to discuss.

About a year ago, last December, 2006, Bill pulled me aside and said, "Francisco, as a current Deputy Grand Knight, I would like to invite you and your wife to have dinner with Elaine and I." It was very nice invitation from him and I said, "Thank you." Then Bill proceeded to say "I would like to let you know what you are up against." Then he said the reason I would like to have you over is because I would like to go over with you some material I have that will help you do your job better next year as the new Grand Knight. This became my first training session as a Grand Knight. Bill presented myself and Steve Schlesselmann with the Grand Knight

training material. What is important to note here is not just the material he presented about the duties and responsibilities about the Grand Knight but it was the information on a ONE-ON ONE basis of what works and what hasn't worked within the Council. The lessons learned from Bill's experience were very valuable to me. This training took place over two sessions in January, 2007, six months before I became Grand Knight. Having this material at hand became very important because it provided me with the big picture as to what I was up against. Well, I can actually say that this training made things easier because as they say sometimes. "How do you eat an elephant?" "Well a bite at a time." So, I took the big picture and partitioned it in smaller segments and it made things a lot easier. My job as a Grand Knight has been easier due to all the support groups of Brother Knights like Bill that have taken the time to provide me with advice, guidance and with resource information that allowed me to be more informed.

Last but not least, Bill has been instrumental for several years in coordinating the "KEEP CHRIST IN CHRISTMAS CARDS". Yet another training session for Ed Barrier and I took place about how to keep the "Keep Christ in Christmas" cards activity going at Bill's home over a delicious BBQ that Bill and Elaine prepared for us. As you all know, we have been encouraged by the State and Supreme to continue emphasizing "Spirituality" in our meetings, events and activities. Well it is so important these days to keep making a BIG statement about not losing what Christmas is all about. It is about the birth of Jesus and us as Catholics must support the "KEEP CHRIST IN CHRISTMAS CARDS". Here is Bill's message about Christmas, "Christ is the reason for Christmas. Put this truth in your greetings to family and friends with the Keep Christ in Christmas cards available from the Knights of Columbus." Bill also continues and has coordinated for many years the polling places for all the Knights to participate, a very important civic duty. Bill, I THANK YOU for the ONE-ON-ONE training. Congratulations to Bill and Elaine for being chosen the Family of the Month. We recognize you two for all you do for the Council.

Introduction

By definition, **protocol is the rigid code setting forth the degree of obedience, the order of precedence, the rules of official and social behavior.** We can add further that it covers anything that is proper and in good taste.

It would be **impossible to cite every rule governing every situation.** The following suggestions are rather common and basic. **Always apply common courtesy** and you will never go wrong in those situations not covered in the booklet.

We should always **display proper consideration for the office represented by the person.** In no way should we let dislike for a person influence our respect for the office he holds.

Council Meetings

The Grand Knight must **conduct his meetings in strict accordance with the Charter, Constitution and Laws of the Knights of Columbus,** supplemented by the State Council's By-Laws, the Council's By-Laws and according to parliamentary procedure. The standard reference on the subject is "*Robert's Rules of Order, Newly Revised*" available from a local library or bookstore. The order of business for conducting a council meeting is outlined in the "Responsibilities of the Grand Knight" (#1937) available from the Supreme Council Supply Department. In addition to learning these rules and following them scrupulously, the Grand Knight must **control the meeting politely but firmly,** so that it does not get out of hand through unnecessary arguments or unpleasant wrangling. The Grand Knight should prevent any discussion from wandering from the business of the day.

The Grand Knight is the **presiding officer in the council.** When a member wishes to speak, he does so by rising from his seat, addressing the chair by saying "*Worthy Grand Knight*" and saluting at the same time. The Grand Knight will return the salute and acknowledge the member.

The Grand Knight should at all times refer to and address his officers by their proper title. He thus sets a good example for the council members to follow.

All members who are not officers should be recognized by name as "Brother" All speech must be directed to the chair (the Grand Knight), for example: "Worthy Grand Knight, may I ask the previous speaker to explain..."

The Grand Knight always speaks in the third person such as "The chair rules that..." or "Your Grand Knight reports that..."

Members should speak of the chair in the third person: "Worthy Grand Knight, will the chair please explain the effect of the pending motion"

Dress During Meetings

The Grand Knight, in keeping with the dignity of his office, should be **neatly and properly dressed**. He should request his officers to do likewise. Thus he will have set the proper dress code for the membership to follow.

Pocket Name Badge

Councils should provide their officers with a pocket name badge. Council members should be encouraged to provide themselves with the same. Simple cardboard identification badges for the members may be provided if desired. Article IV, Section 1 of the State Council By-Laws states that the Pocket Name Badge, gold in color with black letters and with the emblem of the order in full colors, shall be reserved for use only by those men who have served in the office of State Deputy of Maryland.

After the Meeting

The Grand Knight and his officers should **mingle** with the members at the close of the meeting. Every effort should be made to **single out those who have not attended meetings** for some time. In addition, new members and those who seem to feel uneasy should be approached by the officers and **made to feel at home and welcomed**. Hopefully the membership will follow this example.

(Program Director's Rpt continued from page 2)

for us to live with more joy, or is it only an artificial veil to cover what we really need? I wish everybody could take at least some time to reflect

on themselves and what they want to have this year, not only in terms of our own lives but also for the whole world. What kind of world would we like to live in? What can we do in order to have such a world? What are the problems and what are the solutions?

We may think that we cannot do anything big enough to change the whole world, but we can contribute with little acts, little things that all together would make a big difference. So let's all listen to our hearts and start the New Year with this perspective in mind. There are to be sure things that we don't like in our lives and in our world. We'll need to put aside those negative things one day; we need to start with one step... why not today?

I wish you all a beautiful and meaningful New Year!

Dear Friend

MERRY CHRISTMAS AND HAPPY NEW YEAR 2008.

Receive many warm and prayerful greetings from the Archdiocese of Kampala. There are many things to thank God for this year. It has been a very good year for me full of many good things. Such as completing a year in priesthood and being in good health. One of the great things is the gift of Priestly ministry and my second assignment here at the Archdiocese of Kampala. My bishop appointed me

as a full time vocation's director, assistant Pastoral coordinator and the Master of Ceremonies for the Archdiocese. All these appointments involve learning new things. Thanks be to God that I am surrounded with a lot of people here who are able to help me and collaborate with me.

All the above assignments are quite demanding because I have to travel to all the 51 parishes within the Archdiocese. I have to visit our 173 major seminarians in their families. I have to visit all schools and other institutions of learning to promote, nurture and strengthen vocations. It is really challenging to promote vocations, but such a role belongs to every baptized Christian. Please let us continue to pray for one another always that we may be filled with the Holy Spirit always in serving God and his people. I am very happy and I am doing pretty well but having a lot of movements.

I want to thank you for all your support both financial as well as spiritual. Today I am what I am because of your support. Thank you for your love and care. Just know that your support means a lot for me and you have a very special place in my Heart. May Mary our Mother continue to watch over you always and during this Christmas season.

During the coming holidays, may the peace of this season warm your Hearts, may the coming year be filled with hope and promises, Merry Christmas and Happy New Year 2008. May God bless you and keep you. May God let his face shine on you, and be gracious to you and your family. May you be blessed in everything that you do. My prayers are with you as you celebrate with joy the Lord's birth and the end of the year. May every road you travel this season remind you that God's gift of Jesus is with you wherever you go. **HAVE A WONDERFUL HOLIDAY SEASON FILLED WITH HAPPINESS, LAUGHTER, AND FUN WITH YOUR FAMILY AND FRIENDS.**

Wishing you God's abundant blessings during the Christmas Season, I remain,

Sincerely yours in Christ,

Rev. Fr. Richard Kayizzi
