GRAND KNIGHT'S REPORT

By William McLafferty, Grand Knight

July has been a wonderful month for the new officers of Council 5300, and August has been equally enjoyable. Preparation for installation of the Coke Booth at the fiesta marketplace in De la Guerra Plaza and arranging for crews to man the booth for four days went exceptionally well. The crews began working on Wednesday at 10 AM in the booth and stayed open until 11 PM at night until Saturday evening. Three shifts worked the booth every day, and I have confirmed that everyone who signed up for a shift did so.

It took longer to install the new booth this year because it was brand-new. Jim Bradbury and his crew arrived at the Plaza at 6 AM on Saturday morning before Fiesta started. They had to cut and fit the booth around a lamppost and a tree and some of the front windows had to be trimmed to fit the openings from which we sold the soda.

Program Director's Report
By Mark Vampola, Deputy Grand Knight

This year's Fiesta Coke booth Fund Raiser turned out as a tremendous success. Although sales and net proceeds were down *slightly* from last year, we fared much better than expected. Some of the challenges we faced this year included De la Guerra Plaza activities ending at 10 pm , not 11 pm, a power outage in the plaza Wednesday evening, and the current economic conditions. This success does not belong to a few, but to a great number of our Council Knights and their Families. In all, we had over 70 Brother Knights and their family members helping out. I would like to thank all those Knights that helped and especially the Shift Captains for their commitment: Felix Sanchez, Sam Alfano, Francisco Cabrera, Larry Torres, Joe Darga, Jack Turney, John Vogel, Chris Arnoult, Bill McLafferty, Tony Vallejo, and Dan Knauss. These Captains organized a crew of 5-10 folks and coordinated transportation for their shifts, as well as leading the fun for their crew.

Additionally, thanks to Jim Bradbury and Bill McLafferty for rebuilding, painting, and assembling our new Booth and floor, as well as thanks to Dan Knauss for coordinating the Soda Machine pick up and return. With the completion of the booth reconstruction this year and knowledge learned about set up, next year should not only be easier, but have reduced expenses of about \$600-\$800 also!

Chancellor's Report
SK Ed Barrier, Chancellor

Brother Knights,

Here is a spiritual thought from St. Theresa Margaret of the Sacred Heart:

"I desire to love you, O my God, with a love that is patient, with a love that abandons itself wholly to you, with a love that acts, and most important of all, with a love that perseveres. Just as one who loves a creature thinks of him often, so let the lover of God have him often in his thoughts. The mirror into which we must look in order to attain divine love is Jesus Christ. If the actions of our neighbors had a hundred sides, we ought to look at them on the best side. When an action is blameworthy, we should strive to see the good intentions behind it. Let us do everything for love and, remembering that love longs for love alone, nothing can appear hard to us."

In your prayers, continue to remember those Brother Knights and their families in need: Mell Hueston, Stephen Schlesselmann, PGK, PDD for continued recovery and a speedy return to Santa Barbara. For Chawa Ramirez, wife of Ygnacio Ramirez (d.) PKG. Sir Knight Bruce Velasco; the family of Thomas Quinn (d.) PGK, Msgr. Henry Van Son.

The Annual kickoff event for the Life Teen and Confirmation program will be Sunday, October 4th.

The Jr. High Youth Ministry program The EDGE also begins in the fall.

Sign Up's and registration are available by going to the parish office or call John 964-3466 Ext 1.

Membership Director's Report
Sam Alfano, Membership Director

Recently two Brother Knights have advanced to the second degree. Brothers Thomas Bauer and Andrew Nguyen received their degrees last month in Santa Maria. We congratulate them as they continue to advance in our order.

Supreme has advised that our membership quota for this year is 15 members. A list of 29 potential members was handed out to the membership committee at the last business meeting. Hopefully the calls that are being made by the committee will bear fruit toward meeting our goal. A first degree exemplification is planned at our business meeting on September 14.

We are asking all members to consider asking Catholic men of good standing to consider becoming a Knight. The camaraderie and good works that are provided to the community by Council 5300 are outstanding. The highly rated insurance program that is provided to members is a very, very strong plus for membership. If each of us does our part we can reach our goal.

Insurance Agent's Report
David Farebrother, Field Agent

**Only Having "Through Work"
Insurance Doesn't Work
Our Unmatched Code of Ethics**

There are hundreds of fine life insurance companies in the marketplace today. So why should you entrust your life insurance needs, and those of you family to the Knights of Columbus? In their rating report on the Knights of Columbus, Standard & Poor's states that its AAA rating is based upon the following strengths: extremely strong capital, very strong competitive position, extremely strong liquidity and historically strong profitability. We've earned this rating for 17 consecutive years!

I would suggest that a principal reason that we were able to achieve those accolades, along with what S&P described as "a distinct competitive advantage, a loyal customer base and a unique rapport with clients" is because we remain steadfastly committed to the vision of Father Michael J. McGivney, "Protecting Families for Generations" by means of "life insurance by brother Knights for brother Knights."

That commitment is an essential core value of the Knights of Columbus, and our core values permeate all levels of our marketing program. Our "Marketing Code of Ethics" is modeled after the Ten Commandments and includes statements such as "Thou shall present honestly and accurately, all facts necessary to enable a member to make an informed decision."

Our ethical principles for marketing are summed up by our Golden Rule: "In all my professional relationships, I pledge myself to the following rule of conduct: I shall, in light of all conditions surrounding those I serve, render that service which, under the same circumstances, I would apply to myself."

That's what you can expect from me, your

professional Knights of Columbus Field Agent. I welcome the opportunity to present to you and your wife, honestly and accurately, all facts necessary for you to make a sound life insurance decision. I will render that service which, under the same circumstances, I would apply to myself.

To contact me with regards to any of your K of C insurance needs, please email me at dlfarebrother@aol.com or call me at either of the numbers listed below. I look forward to hearing from you.

KNIGHT OF THE MONTH

Stephen Schlesselmann

By Bill McLafferty

Pictured: PGK Dan Knauss with PGK Stephen Schlesselmann

It was not a difficult selection for the Grand Knight to pick the Knight of the Month. Just seeing Steve walk into the Parish Hall on his own power (with the help of an oxygen bottle), while realizing the struggle he had to wage during the past six months, facing death on at least two occasions, was enough to lift the spiritual spirits of every brother Knight. While Steve admits that he has a long way to go for his complete recovery, he is determined to succeed. It is this spirit that is most commendable and it sets a good example for all brother Knights. We are so delighted to have you back with us, Steve!

Lawrence Stigney, Former Grand Knight in 1984-85,

Has Served in Many Capacities for Past 39 Years

By Joe T. Kovach, KC Member Since 1996

Pictured: SK Larry Stigney taking a break from the 4th of July Parade.

Lawrence Lon Stigney, a member of the Knights of Columbus Goleta Valley Council 5300 for the past 37-years, has served as Grand Knight in 1984-85 and has held all but two KC positions (Financial Secretary and Treasurer). The native of Superior, Wisconsin, also was District Deputy 1992-1997 and 2003-04, California Vocations Chairman 1994-95, Los Padres Chapter President 1999-2000, Faithful Navigator of the Junipero Serra Assembly 1991-92 and a 4th Degree member since July 20, 1985.

Larry's parents, Lon and Dorothy Stigney, were proud of their three sons, Larry 75, Roger 73 and Richard 59 who now reside in Mounds View and Woodbury, Minnesota respectively. Larry, who was born on June 18, 1934, graduated from Superior's St. Louis Grade School and Cathedral High School in 1952. He earned his B.S. Degree in Chemistry at Marquette University in 1959.

At age 24 Larry married Carleen Krawczyk on November 8, 1958 at Church of St. Gerard in Milwaukee by Rev. Walter N. Gehl. The two met

by chance when Larry's friend saw a girl he knew, stopped to say hello. "Carleen was walking with her - what a wonderful encounter," Larry reminisced. Their two grown children are Donna Dobis, 42 and Donald Stigney, 41. Grandchild is Lauren Dobis, 17. Donna and Lauren reside in Goleta. Donald and his wife Sharon live in Ft. Collins, Colorado.

For 36 years (1959-1995) Larry worked for General Motors as a Materials and Process Engineer. "My first responsibility was monitoring and control of the metal treatment processes/tanks used by GM in their Oak Creek, WI plant," stated Stigney. After several years additional responsibilities included training and technical supervision. He added, "My secret of success all those years was to study, learn as much as I could about what I was expected to know in my jobs and doing what my boss wants and then some." He took an early retirement in 1995 and shortly after worked for Litton Industries as a consultant for two years.

The Stigneys moved to Goleta and since 1972 have been members of St. Raphael Parish.

Joining the Knights in March, 1970 with Council 1709 in South Milwaukee, Wisconsin, Larry quickly became a 2nd and 3rd Degree and on July 20, 1985 a 4th Degree with Council 5300. "The best thing about being a KC member is hobnobbing (talking and doing things) with a great group of people with varied backgrounds," exclaimed Stigney. The one event that stands out as a cherished remembrance never to be forgotten was when Council 5300 participated in a statewide pilgrimage march from mission to mission. This started in San Diego and ended in San Francisco to honor Father Junipero Serra. Stigney recalled, "Our part was marching from Mission Santa Inez in Solvang to La Purisima in Lompoc. The distance was covered by marches on alternate weekends, March 23 and 31, 1985, and was greatly supported by the Council, local TV and radio stations."

Larry has enjoyed taking part with the Color Corps for the past 20 years. He stated, "Parades are fun...all events are good because they show the public face of the Knights of Columbus. I think all of the Color Corps have been asked, 'Mister, is that a real sword?' I always assure them that the sword is indeed real although I do not add that it is a ceremonial sword." He added, "I was happy to be one of the nine Color Corps members participating at Msgr. Henry A. Van Son's 60th Anniversary Mass on July 11 at Our Lady of Mount Carmel. It was a great event and everyone should watch the 80-minute colorful DVD covering the entire Mass, Msgr.'s 27-minute homily and the beautiful singing and music."

Some new events Larry would like to see the KC's undertake include events for younger members, dances, father-son dinners, father-daughter dinners, having sports teams such as golf, bowling, softball, etc.

"Helping out - bringing the Holy Eucharist to the sick and setting up for noon Mass on Wednesdays and Fridays are happy occasions about being a St. Raphael parishioner," boasted Larry. "I also enjoy being a member of the Wednesday Worship and Praise Group and the Sociable Seniors," he pointed out.

Larry recalled, "Father Henry Van Son was the Pastor at St. Raphael when I joined the parish in 1972. I was impressed when he pointed out a fellow KC member. Fr. Henry not only knew his parishioners, he also knew their memberships."

Responding to why he became a KC member, Larry reflected, "I worked with an atheist at the GM plant and in conversations about religion he commented, 'I bet you're a Knights of Columbus member.' I replied, I am not but I will surely investigate it. The next weekend my church had a membership drive, so I signed up. And so for 39-years it has been a great experience."

As the Grand Knight, Stigney wanted to achieve the goals of Unity and to get recognition from State on our activities. "I believe both goals were

achieved. Our council received a treasure trove of trophies at the convention," he acclaimed.

Replying to why other men should consider becoming a KC Knight, Larry exclaimed, "You will associate with members of all stratum of society and be able to converge to a consensus Catholic viewpoint."

Stigney served with the National Guard of Wisconsin for six years, 1950-1956 in the 173rd Field Artillery Battalion of the 5th Army.

He and Carleen also resided in Oak Creek, Milwaukee and Menomine Falls, Wisconsin prior to moving to California. Besides her motherly responsibilities, Carleen, who was born in Milwaukee on June 6, 1939, was involved in charity work, Serra Club and the Goleta Valley Breakers. She died from complications of diabetes in March 1994. She had one sister, Geraldine, deceased, in Milwaukee. Her parents, Leonard and Esther, are deceased also.

Some extra touches of paint were necessary and, as usual, Felix and Julie Sanchez added their special decoration touches to the new booth. Francisco Cabrera brought some additional decorations and flowers to spruce up the front of the booth, and I've been told by brother Brian Klinge that the booth looked so different and new that he walked right past it and didn't realize that it was the Knights' booth. The final accounting showed a very successful endeavor and Chairman Mark Vampola should be very proud of his efforts this year in raising additional charitable funds for the Council.

The biggest news in August was the return of former Grand Knight Steve Schlesselmann to our activities after a very serious illness that almost took his life. It was wonderful to see Steve return to our meetings and to participate again. In fact, Steve attended the semi-annual audit with the

Grand Knight and the other two trustees. Steve is a living example of the power of prayer, and we thank God for his return to our active ranks. We are now moving into the autumn months of football and school, and, of course, the parish picnic. Once again, the Knights will participate in the parish picnic by selling tri-tip sandwiches, by running the beer booth, and selling Nachos. It was gratifying to see many of the new members participating in the events of the last few months. We need more new members and we should all work to that end. I would like to see younger members join the Council this Columbian year. Finally, we are not too far away from Columbus Day, a day on which we honor our namesake and remember his extraordinary achievements of long ago. In future columns, I will relate more tidbits about Christopher Columbus and his life.

(Program Director's Report continued from page 2)

At this time we are still looking to fill several Service Program Directors. They are, Church Director, Community Director, Council Director, and Family Director. If interested, please contact me. These are vital programs that assist in our council being effective in these various areas, doing God's work.

Give us priests who will lead and guide your holy people gathered by Word and Sacrament.

Bless us with priestly vocations so that we can continue to be a truly Eucharistic Church, strengthened in our discipleship of Jesus Christ, your Only Son.
